

# Bishop Rawstorne Church of England Academy

8 June 2021

Dear Parent/Guardian

As part of our commitment to informing our young people as to the variety of careers opportunities available to them, we are running an online presentation on the evening of next Tuesday 15 June, between 6pm and 7pm on Microsoft Teams.

A meeting will be set up on the "Year 10 – Preparing for College Team" which your child can join on that evening, you should be able to watch as well. It will involve some information about the college application process, the variety of post 16 routes available and also a presentation from Runshaw College.

Unlike an event in school, there will be no opportunity for a dialogue or discussion, as with any large event on Teams, microphones and cameras should be set to off. However, if you wish to ask questions via the chat box, I will do what I can to answer them either on the evening or separately after the event.

The meeting will also be filmed and available on the same Teams page in the following days.

I hope that you will be able to join me to learn a little about what happens in the next 12 months and to hear about the options available after your son/daughter leaves Bishop Rawstorne.

Yours sincerely
