Message from Miss Makinson

Hi Everyone,

It has been a brilliant, busy couple of weeks, capped off by a fantastic Sports Day and World Cup Celebrations! After so much waiting, it was wonderful to see the children out on the field giving it a proper go, showing great sportsmanship and having a lovely time. A huge thank you to everyone to everyone for support your children. It's been hot this week but we've made all the necessary adjustments to ensure the children have kept cool and hydrated from bottles of waters and ice pops to gazebos and less time outside. Thank you for those who have helped maintain our attendance figures this week. Your child is safer in a classroom with fans and air con units than they are at the beach risking sunstroke! If the weather does continue into next week just continue to make sure your child has a hat with them and suncream on please.

Thank you also for all of the summer fair donations brought in today, it's looking to be a fab event. The summer fair is being held on Wednesday 8th July. Please also remember that next Monday (29th June) is an INSET day so school is closed. For inset days next year please check the term dates which can be found on our school website.'

Have a lovely weekend.

Miss Makinson

Dates

Monday 29th June

Friday 10th July

Whole School Transition Day

Thursday 23rd July

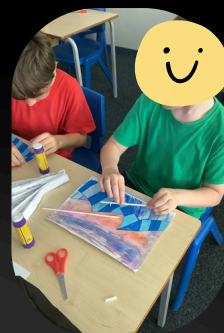

School Closes for Summer at
1.30pm

Spotlight A message from Year 5

It has already been an incredibly busy, productive, and exciting term in Year 5!

In Geography, we have travelled deep underground to explore the power of tectonic plates and the fiery world of volcanoes. This linked wonderfully with our work in Science, where we have been studying the human life cycle, comparing it to other mammals, and discovering the fascinating world of complete metamorphosis in insects and amphibians.

In the classroom, we have been completely captivated by our class novel, Kensuke's Kingdom. Inspired by Michael's adventures, the children have started to plan some incredibly emotive diary entries. We will be celebrating our love for this story during the Reading Festival, where the children have designed stunning, creative artwork to bring the book's setting to life. Finally, a massive congratulations to all of Year 5 for a spectacular Sports Day this Wednesday! Thank you for your continued support this term.

Join our Nursery

If your little one has already turned three or celebrates their 3rd birthday before the end of August, they could be eligible to join us after Easter! We are currently enrolling 3 and 4-year-olds into our nurturing, inclusive environment.

We focus on learning through discovery and creative play, ensuring every child has the space to thrive.

Spaces available: September.

Call our office on 01253 402936 to book your visit.
