Friday 10th July

Whole School Transition Day

Thursday 23rd July

School Closes for Summer at 1.30pm

Message from Miss Makinson

Hi Everyone,

Following on from my dojo last week I just want to say a massive heartfelt thank you to you all for the role you played in our Ofsted inspection. I am very proud of our wonderful school and am pleased that the inspectors recognised and celebrated what an inclusive school we have where every child feels a sense of belonging. We are now within the final half term of this academic year and I can safely say my first year as Headteacher has flown by. Emotions are running high in Year 6 as they prepare for their transition to high school and we look forward to making our final memories with them over the next few weeks. We are welcoming our new Reception pupils in for transition sessions and we have some whole school transition days planned for the 2nd and 10th of July, during which time your child will spend the day in their new classroom with their new class teacher- details of which will follow over the next few weeks. You will have seen from the letter I sent out today that we are also opening a specialist base for Reception children with EHCPs commissioned by the local authority which will help to strengthen the inclusive nature of our school even further. I look forward to seeing you at our Reading Festival on 3rd July and summer fair on the 8th July.

Miss Makinson

Spotlight A message from Year 3

Year 3 have had a wonderful start to our Summer term! We went back in time and experienced how Tudors lived focusing on what it was like to be rich and looking at what they wore, what they ate and a glimpse of what the houses were like! The children had the opportunity to try on clothes, learn a dance and even exit through the 'wicket'! In DT, the children designed and created their own moving Pneumatics where they painted, measured and attached different resources together. During Maths, we have been learning time to the minute and converting time from an analogue to a digital clock! We are proud of all our children and we look forward to the rest of the term! Good job Year 3!
