For your information

As part of the ongoing monitoring of the Blackpool Council's Free School Breakfast Programme in Blackpool, once a term we will be asking pupils attending this school some simple questions regarding what they had for breakfast on a certain date. We will also be using data we hold on children within the school as part of this study. All information will be aggregated, and no one child, or their answers, will be identifiable within the analysis. If, for any reason, you wish for your child not to take part in the monitoring, can you please let us know, and we will ensure that they are not included.
