OUR VISION

“Learning today for a brighter tomorrow”

INTENT

The purpose of this non-statutory policy is to set out clearly for all stakeholders, the process that will take place should a child abscond from school.

At Blackpool Gateway Academy we actively work to provide a secure, safe environment. We want a school where children enjoy coming to and want to learn with others as part of a caring community. It is highly unlikely that a child will try to abscond from our school but this policy is written to ensure we are ready to deal with this eventuality should it occur. If a child has SEND needs and absconding is likely then they should have a risk assessment.

DEFINITION

To abscond from school is to ‘leave the school premises without permission’.

Under Section 3 of the Health and Safety at Work Act, 1974 and in Common Law, schools and other education settings owe a duty of care towards their pupils. This duty of care requires that all reasonable steps are taken to ensure that pupils are safe and remain within the care of the school at all times throughout the school day and during school-led activities.

Where a pupil, present at registration, is found to be absent from school without authorisation the following procedures should be followed:

- Member of staff to radio the information for speed and safeguarding reasons. A member from that class must then inform the Headteacher or member of SLT, and the main office in person.
- SLT to organise a search and sweep of the building and grounds and known places that the pupil may have gone to the school environment including the use of the radios in a professional manner.
- If the pupil is not found, then all available staff to complete a more thorough sweep of the school and check the perimeter of the grounds.
- SLT to phone the police, as an emergency (999), when area has been fully checked if the child is not found
- School office to contact parents/carers and inform them of the situation.
- Consideration will be given to whether the search should be extended beyond the school perimeter. This decision will be based on staff's knowledge of the child and on the levels of risk, and on what action is in the child's best interests.
- Any staff who leave school grounds must take a mobile phone to maintain contact.
- Once a pupil has been found then the Headteacher will use their professional judgment to outline the response towards the pupil and the support the pupil will need in the future.
- A written statement will be made by all appropriate parties and filed on CPOMS.
- Member of SLT to brief police and parents.

Where a pupil attempts or is seen to be leaving the school premises without authorisation the

following procedures should be followed:

- Member of staff to inform a member of SLT, and the main office and incident should be radioed.
- Staff must follow the child to the school fence or gate and must try to use de escalation techniques with the child to stay in the school.
- If by leaving the school the child is known to be putting themselves in danger, adults must exercise their duty of care and stop the child, physically if necessary.
- As active pursuit may encourage a child to leave the site and may also cause the child to panic; possibly putting him or herself at risk by running onto a busy road, staff will not chase but will try to keep a child in sight at a distance at all times.
- The SLT lead will contact the child's parents/carers
- If the child has left the immediate vicinity of the school grounds and is no longer visible then the Police must be informed.
- If the child returns of their own volition, parents/carers and the police will be informed as soon as possible.
- Upon his or her return to school, and when the child is calm, the child must be seen by SLT so that the reasons for absconding may be discussed in detail. At this point a decision will be made as to the appropriateness of further actions
- A meeting with parents/carers will be arranged.
- Written statements will be filed on the incident and recorded on CPOMS.

Monitoring and Evaluation

Each incident will be monitored and evaluated. Risk management plans for any children believed to pose a risk of absconding will be created by school with the support of staff and parents/carers.

Parents and Carers

Parents and carers of pupils are responsible for supporting the work of the school and encouraging their children to keep to all school procedures and policies. Once school has informed the parents that their child has absconded, parents and carers are responsible for actively supporting the school with subsequent procedures and actions. This could include coming into school to help secure the safety of their child as well as meeting with a Senior Leader in order to agree to subsequent actions. Risk management plans will be shared and signed by parents/carers.

Parental Agreement (To be completed by the parent or carer)

I have read the record of the absconding incident (Appendix A).

I wish to make the following comments relating to the incident (optional):

I understand that it is always unacceptable for my child to leave the school site without permission and a repeated action of this nature might result in the school following exclusion procedures.

I understand that the following actions have been agreed in order to help my child be happy and safe in school.

I know my child needs to keep to the school rules and not leave the school grounds without permission.

I understand that there are agreed actions for all parties involved. For my part, I will support this agreement by encouraging my child to comply.
