

15th December 2020

Community Care

On Tuesday 15th December Gateway Academy spread some Christmas cheer to our local neighbours and Care Homes. The children delivered hand made cards to the people of our community and the staff safely visited Hollins Bank Care Home and Highgrove Rest Home.

The residents and staff were so pleased to see us. The cards and gifts that we shared brightened up their day. In return for our generosity the children received a lovely little treat and some heart warming messages.
