

**14th October
2022**

Blackpool Gateway

This week, we had the pleasure of meeting Sophie Carrigill, a paralympic basketball player. She told us all about her life as a paralympian; training, healthy eating, exercise and work life balance. One of the Year 6 children was lucky enough to have a go on Sophie's sports wheelchair - she was actually pretty good. Sophie explained how she couldn't move as much as her other teammates, so she had to adapt her moves. We were extremely grateful for the opportunity to meet her and she showed us that anything is possible if you put your mind to it.

Amelia Year 6
