

6th January
2022

Blackpool Gateway

Welcome back and a Happy New Year to all our families!
I hope you had a wonderful break with family and friends.

I hope everyone has remained fit and well over the break. A reminder that there are increases in flu in the community as well as other illnesses and public health advice is to maintain good hand washing routines. We have stepped this up in school to help to avoid any spread of germs so please undertake this at home too and explain to children the reasons why. This will help keep everyone safe.

A big reminder that our after school clubs start again and there is much on offer. Letters have been sent out, so please complete and return quickly to ensure a place.

A physical breakfast club is about to be offered and places are limited so watch this space for the launch. You will need to put your child's name down as there are limited spaces.

A reminder that attendance is key to success. Children need to be in school everyday and support at home is critical through reading and homework so please engage in this to help your child be the best they can be. Punctuality is also important and helps set children up for the day by not missing the greetings and settling in tasks. Please ensure your child is on time every day and have new year resolutions to set that alarm and extra 15 minutes earlier to help with this!

Have a wonderful weekend of normality again, and we look forward to seeing everyone in school and on time on Monday morning bright and early. Remember the gates open at 8.45am and breakfast is in school for all children.

With my best wishes
Mrs Robinson
