

How can I help my child's learning at home?

There are many things that you can do as a parent to assist your child with their learning:

- Daily reading
- Sound recognition
- Letter and number formation
- Name writing
- Reading and Writing CVC words
 - Counting
- Representing numbers

Reception

Reading:

Reading is a whole-school focus for us this year and it is essential for your child to be able to read for pleasure both in school and at home. Please ensure your child is reading a range of books, both fiction and non-fiction and talk to your child about their reading. ***Please also remember write a comment in their reading record to let us know how they are getting on with their reading with you at home!***

Remember that reading books should be brought in on a **Wednesday** so they can be changed to come home again on a Friday.

Please ensure absences are kept to a minimum this term and that you continue to support your child with their home learning. If there is ever a problem, try to let us know as soon as possible, so that we are able to help the best that we can!
