

# Gateway Gossip Fortnightly

Dear all,

I hope everyone has had a good week since the last newsletter. In school it has been a very busy time!

The focus at this time of year is always Year 6 and what a week they have had!

Two performances, an emotional Leavers Assembly which was then followed by a very 'wet' party afternoon!!

A great time was had by all it seems judging from the smiles, laughter and wetness. I wish all the Year 6 children every happiness in their new schools and we talked today about the ambition they must have for themselves in future years. We all know they are capable of great things and look forward to finding out the future has in store for them.

The Summer fair was another great success with a profit of £877.39.

We were blessed with sunshine and how lovely to see such an extended collection of people from our local community to include ex students which was a lovely surprise.

I wish everyone a wonderful Summer break. Stay safe and well. We look forward to seeing you all again for the next academic year on Tuesday 5th September. Have a great time with your families.

Take care everyone.

With my best wishes,  
Mrs Robinson
