16th April 2021

Gateway Gossip

Welcome to Summer Term!

Dear All,

It's been wonderful to be able to welcome everybody back safely after the Easter Break!

The children have returned with tales of their holidays and have settled back well into school happy and eager to learn!

It's been a great week here at Gateway. Not only has the sun shone all week, but we have had some very special fluffy visitors hatch in Reception. Our EYFS children have been fascinated by our 6 baby ducklings and have loved starting to learn about and care for them.

In other news, our two additional classrooms are now up and running outside, you may have noticed them when dropping the children off. 'The Hub' and the 'Rainbow Room'. We look forward to using this space for lots of creative learning and exciting activities this term and sharing all of the amazing things that are going on in this new space!

Take a look to see what we have been doing this week out here (Pictures)

We are proud to say we have seen an increase in attendance this week and look forward to seeing this continue this term. Thank you to all of you who are ensuring children are at school on time. It makes it slightly easier in the morning now we have gained the extra hour and the lighter, brighter mornings are upon us! So... make sure alarms are set and we may even break our own record next week! Come on Gateway!

The children have produced some excellent work this week and are already earning dojos and house gems for their efforts! Our Core Value focus this term is Excellence.

Next Friday (23rd of April) we will be having our first Summer Term house Competition.

It will take place on Friday afternoon - Everything will be provided - so make sure you're in school for lots of teamwork, fun and games! Your Heads of House are counting on each and everyone of you. I wonder who will win?

Thank you all for your continued support,
Have a lovely weekend, please take care and keep safe.

Best Wishes
Miss Frankland

Achievements this Week

Star Award

N - Evony-Jay

Gateway's Amazing Learning! Excellence

This week in Reception, we become an Artist like Jackson Pollack, who has a famous painting called 'Drip Painting.'

This week in Early Years, we have enjoying getting creative with our dance moves outside. We have been tending to our garden and have noticed the changes that have happened over the holidays.

The Rainbow Room and Hub

Have a lovely weekend!

Random Act of Kindness

Each member of staff was gifted with an 'Incredible' random act of kindness gift. A big thank you from all the staff to our mystery gifter!

Mrs Bamber enjoyed spending time with the ducklings!
