Mrs Robinson says

Dear all,

What a great start to the new term with children coming back to school with a smile and a spring in their step. We of course welcome in our new and first ever Year 6 cohort, heading up our school now and who, we hope, set the examples for all the other younger children. Well done indeed to our new Reception cohort also; they have settled particularly well and are in very good hands here with our Early Years Team.

Thank you for all the uniform efforts, making our children look very smart and feeling very proud of themselves. Our theme for class dojos is 'Pride' in general from our core values here at Gateway, so I am sure there will be many points earned this half term.

Thank you all for your support so far this year. I am enjoying the new role and I feel sure it will be a very positive time for all.
