

Gateway Gossip

11th December 2020

Dear all,

Hope everyone is well and looking forward to the end of term.

You will no doubt have received the FCAT letter relating to closure on Thursday 17th December which is a day earlier than originally scheduled. I hope this helps everyone stay safe and well for Christmas and am very pleased to announce that, as I write, there have been no more outbreaks within school. Please help everyone by maintaining the rules right up to closure next week and this includes children bringing in any additional items other than coats and small school bags. Sad times but very necessary I feel for all our safety. If you haven't seen our virtual tour, then please take a look at look on our YouTube page using the link below.

We have tried to showcase all that is great about Gateway and I hope you like it. There are some tremendous things going on every day and this needs to be shown off! Your children are at the heart of everything we do and it gives you the chance to see inside school during these strange times when you aren't able to physically come in. Please share the 'tour' with anyone you know with a child starting Reception in September 2021 as applications need to be in mid January ready for the next academic year. We look forward to next week and some festive fun as the week goes on with hopefully a special internal visitor that the children will enjoy seeing.

For now have a lovely weekend and stay very safe.

Best wishes,
Mrs Robinson

Nursery & Reception went to post box this week.

They posted a special delivery for their families.

We had a lovely time!
