Dear parents

I hope everyone remains safe and well.

As you know we have one more week in school before we break up for the two week half term break.

In advance of the break, I wanted to remind you of the Blackpool rules regarding Covid protection and the attached message from the Blackpool Public Health Director, Dr Arif. You can hear his message via this link.

<https://www.blackpool.gov.uk/Campaigns/Coronavirus/COVID-19-FAQ-Fridays.aspx>

At school we continue to thoroughly monitor all children showing symptoms and will isolate any child and contact you to collect as necessary. Please ensure we have up to date contact details so we can contact the correct person efficiently. In addition to this, if you should show any symptoms, please contact 111 and isolate with people you have been in contact with. We are aware that medical advice given is not always to take a test, this is why isolating when showing symptoms is really important.

Our detailed risk assessment is available on our school website should you need further information. I must remind you of the protective measures for all the community to socially distance and maintain good hygiene. Please remind your children of this too regardless of their age. Thank you for your continued co-operation and I hope you enjoy a relaxing break when it arrives.

Kind regards,
Mrs Robinson.
