Easter competition

What is the competition?

We are asking every child to decorate a hard boiled egg with a picture of their favourite story book character. Please be as creative as you like and use any resources you have at home.

When does it have to be in school?

The competition closing date will be Tuesday 26th March. We ask that all eggs be given to your class teacher on this date so they can be placed in the hall ready for the competition. Please also make sure that you label your egg with your class and name.

How many winners will there be?

There will be 1 winner from each class. Each winner will receive their very own chocolate Easter egg. Winners will be announced in assembly on Thursday 28th March.

Good luck everyone and I can't wait to see all of your amazing eggs.
