

Gateway Gossip Fortnightly

Dear Parents and Carers,

The term is really passing by quickly and it is a little hard to believe it is July now!

We had a very successful two days for transition into new classes last week and the children seemed very calm and relaxed which is always our intention. Grateful thanks for those of you that managed to call in last Thursday to meet new class teachers and staff for some family fun! A great start for the new year!

A busy time in school with a lot going on as we head towards the end of the year. Nursery have held their Graduation, Year 3 have held a recorder performance based on their learning over the year, Year 2 have been on a Martin Mere school trip, Key Stage 2 have visited the circus and much more so very busy times.

Another mention for Bromcom (MCAS) and the fact we still have some families that have not signed up as it is really very easy. Please call the office if we can help at all. We will keep pestering until everyone is signed up however!

Have a great week ahead and fingers crossed for some better weather again!

With my very best wishes,
Mrs Robinson

We are delighted to announce that we, Blackpool Gateway Academy, have achieved the School Games GOLD Mark Award for the 2023/24 academic year. The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. We are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible. We look forward to applying once again in 2025!

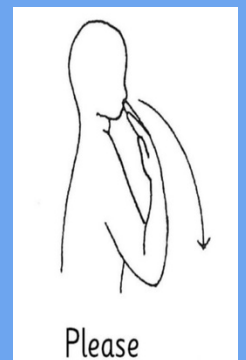

Sign Of The Week

We have introduced sign supported language across the school.

Learning at Gateway

Nursery

Over the last couple of weeks we have been celebrating our Graduation and EY Unit assembly, the children were amazing and made us and themselves proud! Thank you to our parents/carers for joining us. In class we found a special message in a bottle which turned out to be a treasure map. The map led us to the Pirates treasure. We are excited for Pirates Day next week and enjoying our last two weeks in Nursery.

Year 1

We cannot believe Year 1 is nearly coming to an end. The children have worked really hard writing their postcards and learning all the features of a postcard. Year 1 had a wonderful two days transitioning into their new year 2 classroom and all seemed to really enjoy their new class. Thank you to all the carers/ parents/ family members that came to visit our new classroom!

Year 3

Year 3 have had a great two weeks. We all enjoyed our trip to the circus and were excited to welcome parents into school to showcase year 3's recorder talents. We really appreciate your support and the children loved performing for their adults.

Year 5

Over the past two weeks, year 5 have achieved so much in their time at school. During transition, year 5 had a brilliant time with their new teachers, enjoying all of the transition activities and building such positive relationships. We have been on our school trip to the circus, which was magical! And a huge congratulations to 5B, performing wonderfully in their poem performance! Well done year 5!

Reception

What a lovely couple of weeks we've had in Reception, we had a great time on our transition to Year 1 and have started our learning all about Pirates. The children were amazing in our EY assembly and a big thank you to all our Early Years parents/carers who came and join us. We are looking forward to our last couple of weeks in Reception.

Year 2

What a week Year 2 have had! The children have had a fabulous time at the circus and Martin Mere. Their behaviour was fantastic and it was such a pleasure to see them so engaged. We are still working hard everyday so that we are ready for Year 3. Please continue to read at home with your child - it really does make such a difference.

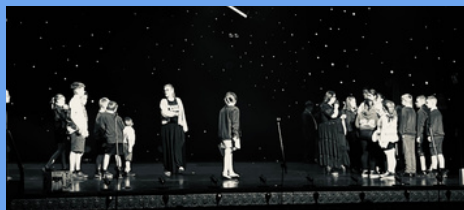

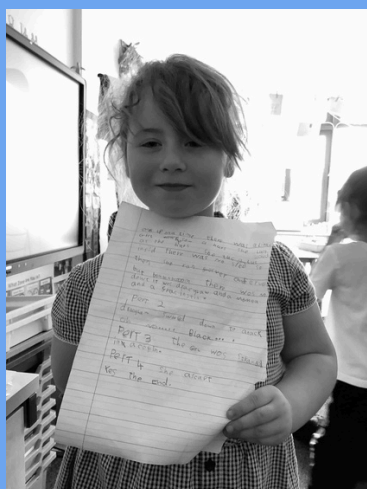

Year 4

We have had a fantastic few weeks in year 4. The children have really enjoyed meeting and getting to know their new year 5 teachers through lots of fun activities. We really enjoyed the school trip to the circus and all the fantastic acts, although our ears were ringing from all the screaming! We have been continuing our writing work and beginning to innovate the text. In science, we have been exploring different types of teeth and in DT we have finally got round to starting to build our lighthouse toys.

Year 6

This week, Year 6 had a fantastic time visiting the circus and completing outdoor orienteering activities! We've also been hard at work on our end-of-year production, including a full dress rehearsal. The students have shown great enthusiasm and creativity throughout.
