

Gateway Gossip Fortnightly

Dear Parents and Carers,

I hope everyone has had a great week.

We are rapidly heading towards half term and time seems to have flown by since Christmas. Don't forget that we have INSET day for teachers on Friday 9th February so the last day in school for children before half term will be Thursday 8th February.

This week we have seen a wonderful performance of The Gingerbread Man by The TramShed company which the children enjoyed enormously!

Then Year 4 enjoyed a trip to Ribchester today to link with their history topic.

The work in Musical Theatre Club continues on a Thursday in readiness for Schools Alive next Wednesday evening! I am sure you all wish the children good luck - they are getting more and more familiar with performing on stage now and I am really looking forward to seeing this at the theatre next week.

Our great work continues with regard to trauma-informed developments and external guests including our Chair of Governors, Julie Gillepsie, who was very impressed with the calm environment for learning that we have developed and maintained. I am very proud of all the children and staff for keeping voices low and taking the time to walk in school and show manners at all times. Well done to the whole Gateway Team; a real achievement!

Thanks to all the attendees at the two Parent Forum meetings. So great to have families involved in our half term activities and it gives everyone a great chance to share ideas and to get to know one another. Thanks to Mrs Riley and Mrs Kadriu for organising.

Have a great half term break when it arrives and please do all you can to support with reading and homework a little during the time off. It all does really help.

I look forward to seeing you all later in February, hopefully with lighter nights and sunnier days!

With my very best wishes,
Mrs Robinson

Monday 5th February
Mental Health Week

Wednesday 7th February
Schools Alive
Performance.

Thursday 8th February
School closes at 3.15pm

Friday 9th February
Staff Inset Day.

Dates To Remember

Monday 19th February

6B - Ryan
6G - Sammi

Attendance

For great attendance every fortnight, children will be sent a postcard home. If you receive a post card, bring it in to school for a reward from Mrs Riley.

This week 16 children will receive a postcard.
Good luck!

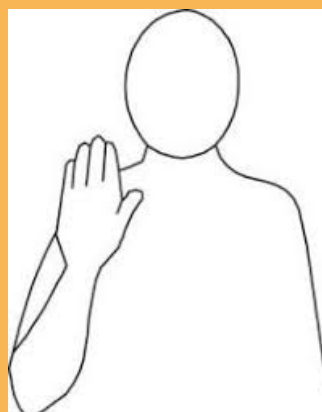

STAFF
THANK YOU

**Thank you to
all staff for
another
fantastic half
term.**

*Sign Of
The Week*

We have introduced sign supported language across the school.

Stop

Learning at Gateway

Nursery

Over the last two weeks, the children in Nursery have been retelling the story of 'The Three Little Pigs.' They have enjoyed building houses using different material and role playing being the wolf.

Year 1

This week year 1 have enjoyed learning their new text in Ennglish- The Tiger Who Came To Tea. We have enjoyed our our tea party and we thought of lots of amazing adjectives to describe our food. We have had some great engineers who have being using all their knowledge about materials to design and make some superb kites.

Year 3

This week year 3 has been learning about time in maths, and learning how to persuade in our writing. We also have had lots of fun learning all about Greek Gods and Goddesses and then creating posters of our favourites!

Year 5

The week, year 5 have been exploring new punctuation in English; looking at how to implement semicolons in their writing. Also, we have been exploring friction in science, discovering how friction can effect movement of different objects. We also had a visit from a real life historian, learning about the Anglo Saxon age! Brilliant work year 5!

Reception

The Reception class have been enjoying our traditional tales topic. We have looked at the Three Little Pigs. We have built and tested houses to see how strong they were, we have huffed and puffed and even used a hair dryer to help! We were very fortunate to have a visit from TramShed Theatre Group who performed the story of the Gingerbread Man, and we also took part in an interactive workshop with the cast.

Year 2

This week year 2 have been creating their pots inspired by the ceramic artist Clarice Cliff. In English, we have completed our non-chronological reports and are working really hard to describe settings to hook our readers in. In maths, we have been busy learning about mass, using weighing scales and have begun to use standard weights and scales. On Monday, we look forward to a special visitor who will bring our explorers topic to life. As always, any questions/queries please do not hesitate to contact a member of the team.

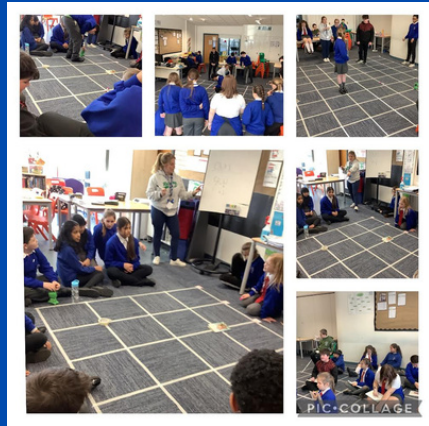

Year 4

This week, Year 4 have been looking at Roman poetry in English ahead of our trip to the Roman museum on Friday! In maths, we have been exploring fractions and adding them together. We have also had lots of fun in History making wanted posters for Boudicca the Queen of Iceni!

Year 6

This week in class, we learned about numbers with decimals in maths. We also wrote explanation texts in English and in Science, we started to learn about microorganisms.
