

5th February 2021

Gateway Gossip

Hello everybody,

Welcome to Feel Good Friday and by the time you read this I hope you all feel a little more relaxed. I hope everyone is keeping very well. February has arrived and there are few minor signs of Spring emerging so lots to look forward to.

Enormous credit to all families and children working from home and being so very productive in all you are doing. It is amazing to see the work that is being returned and engaged with in all year groups, even down to the youngest of our children in Early Years. Well done for all the support you are giving the children every day and remember to be kind to yourselves. Do what you can and take breaks if needed. Everyone's well being is so important at the moment.

I am pleased to say we now have a few more devices and so will be distributing them from today. This means families sharing may have some of the pressures lifted! We will be in contact with those families we know about but of course if you are struggling or using mobile phones please let us know as a Chromebook is much easier for you.

Voucher distribution started this week for those eligible families. A few haven't been collected so please contact the office if you feel you are eligible. It may be we have out of date contact numbers for you so please update us.

I hope you have a wonderful weekend when it comes and just one more week before a well earned break is upon us for everyone, including all the staff, who have worked so hard to help wherever they can.

As always, anything we can help with, please ask us. I will help wherever possible.

Wishing you all very good health and stay safe!

Mrs Robinson
