# Gateway Gossip

Hello everyone,

I hope you have had a great week back to school and that the routines have settled in well.

It has been wonderful to have the children all back in school and they seem to have loved being back and able to socialise once more with their friends and teaching staff.

Hello to everyone from Year 5 at home and we look forward to your return on Monday.

Whilst we have a little normality back and much more to hopefully look forward to, I need to add in some reminders, about the Covid expectations around school, in terms of continued social distancing please.

It is all the safety measures that will allow us all to relax, eventually that bit more and I ask that you please respect this for all of our community and their continued good health.

With regard to wider health and safety, there have been some serious near accidents on Seymour Road this week, on the wet mornings, due to cars trying to turn around having dropped children off at the gate. Can I politely request that cars drive to Seaside's Way to park for free and walk over to school on the footpath, as this is a much safer option. Our neighbours have also lodged a complaint about parking and near accidents so I have explained I will pass their concerns on also.

I very much hope you have all had a good rest from the home learning now and are looking forward to a good weekend break and some relaxation time!

Enjoy and happy Mother's Day to all the mums and carers out there. I hope you get a chance to put your feet up!

Best wishes all,

Mrs Robinson

# Our amazing learning at Gateway Academy!

## EARLY YEARS

Early Years have become Artists. We used our observational skills to look at the shapes and colours of our tulips before painting a picture of them.

Early Years had their first go at Commando Joe missions. We had to work together as a team.

## SCIENCE DAY

Have a lovely weekend!
