

Gateway Gossip

15th January 2021

Dear all,

I hope everyone is well and safe.

Strange times for us all and we miss seeing the children yet again but thank you for everyone at home for helping those children, not in school, to be able to login and get involved in Google Classrooms and more. The engagement has been great and watch this space for more incentives over the next few weeks to help children want to engage.

I am so proud to report that all of the staff have gone above and beyond to try to provide everything possible to make it as easy as we can to help you and your children engage from home. It is not easy and all very new but if you feel you need help then please say. We will help wherever we can. Many of you have engaged every day so thank you for this.

Please try hard to join at 9.00am to set the scene for the day as it is so important for those routines to be in place right now, to get in the right headspace for learning. We have loaned lots of devices to help and of course the food parcels are hopefully helpful too, but if you need anymore, at any time, please tell us. We really want to make sure you are all ok but we can only help if you come forward.

Look out for postcards being sent home now for those fab achievers at home as we continue to not be able to hold full Achievers' Assemblies. It is the next best thing and a nice surprise for many on the doorstep.

For now take good care and I hope everyone is very safe and well!

Best wishes,
Mrs Robinson
