

Gateway Academy News

22nd May 2020

Dear everyone,

Thank you for all your continued support over recent weeks.

I hope by now you have received the letter regarding return to school for Year 1 and 6 and of course I will be in touch with all concerned about arrangements after the half term holiday.

It is hard to believe so many weeks have passed since we saw some of the children. We do miss them a lot!

Hopefully our continued keeping in touch is helping everyone feel connected.

Perhaps half term will not feel any different at home but I wish you a relaxing time together.

Some half term activity ideas have been added to the website in the home learning tab for any activities that you would like to do next week.

If you do need any help, please call school as usual and we will do whatever we can to help.

Stay safe and see you all soon
