

26th February 2021

Gateway Gossip

Welcome everyone to the newsletter of Spring 2!

I hope everyone had a relaxing break and managed to have some family time together. I am pleased to say as I write it is beginning to look a lot like Spring around us and that is a welcome sign indeed.

I hope getting back into routines and home learning has gone well and you will be aware of the news that schools will reopen to all children on Monday 8th March, where attendance is mandatory again.

I will be in touch early next week with Gateway's arrangements but for now a reminder that, those all so important routines will help children upon their return so please, help them build up to the return by organising their days to fit school routines. That way any anxieties will be minimised as best possible. We have some great incentives to help you encourage children to re-engage with remote learning and many extra Dojos to earn so please encourage wherever possible. All learning now will definitely be beneficial for them when they return on site.

It is exciting to think of school coming back again and we all welcome the 8th March when some part of normal can return. I am sure the children will be looking forward to seeing their friends again and our priority is their wellbeing, so time will be committed to ensuring this is in place. We are planning some exciting activities and lots of 'getting to know you again' fun!

Vouchers will be available on Monday for the last week, next week. Please try and collect on the day as this is the day we assign extra staff at the front of school, so other visits may incur longer waiting times and we try to avoid this due to Covid risk assessments.

For now, I hope you have a lovely, sunny weekend and only one more week of home learning for you to endure for those of you who are exhausted with it! We very much look forward to taking that job off your hands and seeing everyone, at a distance of course, again very soon.

Stay very safe all,
Best wishes,
Mrs Robinson

Our amazing learning at Gateway Academy!

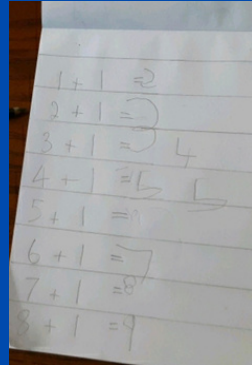

EARLY YEARS

Early Years have been reading 'Jasper's Beanstalk'.

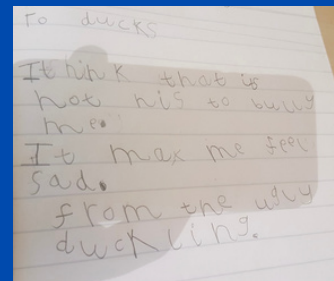

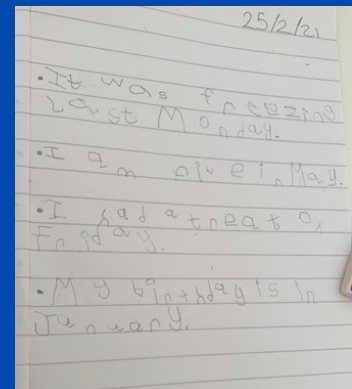

We made our own beanstalks, using objects in our home.

In school, we painted Jasper and his beanstalks.

KEY STAGE 1

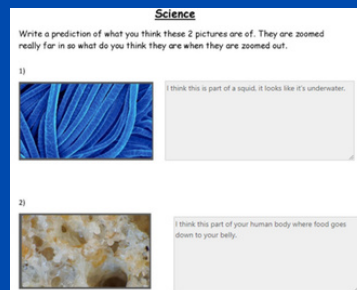

KEY STAGE 2

Combine all your ideas from yesterday to create sentences. See below for an example.

A bright star shines at the top of a Christmas tree.

- The sparkling star shined across the sky.
- The dazzling golden star twinkled in the night sky.
- The colourful stars shined brightly on my dress.
- The star on my reward gleams like a golden star.
- The stars on my shoes shine as bright as the brightest star.
- The burning golden stars shine in the galaxies.
- The golden star gleamed on my amazing work.

Have a lovely weekend!
