SCIENCE

Dear parents and carers,

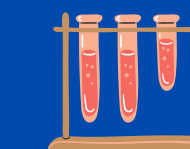

I hope everyone has had a great week especially Year 6 working from home. I hope everyone is safe and well. In school we continue to monitor any signs and symptoms of Covid amongst the children and isolate any child with a temperature or cough and ask for them to be collected as soon as possible. Please help us by ensuring you maintain a distance from fellow parents when coming around school as there have been occasions where this is not being maintained despite some requests from staff. I would ask you to respect the teachers who are doing their very best to ensure children's and their own safety. Please communicate with them preferably via telephone at the end of the day or via dojo and not in person as this is causing people to crowd on the playground. Please don't forget that parking over at Seaside's Way is the safest place to park when dropping off and picking up.

Seymour Road is too busy each day and it concerns me that there will be an accident with cars turning around and parking illegally. Please help keep our school and children safe. The weeks are flying by and no doubt you are thinking about Christmas in some way. School will be different this year for children but we are planning some safe treats for them. Details will be sent soon. If you want your child to send in a Christmas card we can only do this with strict regard to Covid so cards will need to be brought to school by Tuesday 15th December at the very latest. We shall then have a quarantine box in every class, by the door and they will stay there until Friday 18th December where they will be distributed, outdoors where possible, at home time. Sadly this is the best I can offer under the circumstances.

Have a wonderful weekend all and stay very safe.

Mrs Robinson

Reception hard at work with their science experiment. Ask us what we did and what happened!

Star Award

NN- Sacha
RB- Amelia
RG- Fynley
1B- Daniel
1G- Alannah
2B- Laciee
2G- Scarlet
3B- Krystal
3G- Jenson
4B- Eivie
4G- Charlie
5B- Alexa
5G- Patryk
6B- Triston
6G- Safiya

Achievements this Week!

Core Award

NN- Liliana

This week's winner
is ...
Newton!

Well done to Mrs Danyadi -Elliott and
all of read team!

Teamwork makes the
dream work!

Reading Challenge!

A huge thank you from Mr Walch to
everyone who participated in our
reading challenge and sent in their
great photos!

This week's points
are ...

Curie- 230
King- 221
Earheart- 233
Newton- 254

Great effort from all involved!

A NEW ADDITION TO THE CLASSROOM!

This week, each class received their own
visualiser!

Here are Year 4 hard at work with theirs. We
aim to use them in various ways to enhance
our learning. Watch this space for more
creative ways we will be using them.

Next week you will receive a letter about our Christmas Lunch!
Please keep an eye on the parent app for relevant information as each
child is different depending on what they already have for lunch.

Thank you.

Staff Shoutout!

It's a double win!

Thank you to Miss Sim & Mr
Snelling this week for all your
hard work and support.

Headteacher Award!

1G - Kurtiss
For always being kind,
caring and a perfect role
model.

5G - Skye-Rose
For being a wonderful
student and always trying
her hardest.
Well done to you both!

CHRISTMAS COUNTDOWN!

December
next week! It may
be a Covid
Christmas this year
but we intend on
celebrating in a
variety of ways
safely in school.
Keep your eyes
peeled next week
for all things festive!
