Gateway Gossip

Dear Parents and Carers,

This week has been a great week at Gateway. I have had the pleasure of reading some fantastic pieces of writing this week right from Reception to Y6. It's amazing to see we have so many budding authors in our midst! Well done everyone - keep up the hard work!!

Clubs are now up and running. The children are definitely making memories and it's brilliant we can now start to provide after school clubs.

As the weather is getting warmer and we have been able to update our risk assessment, children are now able to bring a water bottle to school. Water or flavoured water is preferable. And as per our risk assessment we will be unable to clean or refill these bottles at this moment in time.

Thank you to so many of you who have entered our reading challenge this week. The Winners are... Olivia and Ryan. Our winners will receive an amazon voucher each as a prize and this will be ready for you to collect it for the office on Tuesday morning!!

Just a reminder that we are closed on Monday.

Please have a very enjoyable and safe Bank Holiday weekend. We will see you on Tuesday.

Thank you for your continued support.

Miss Frankland

Dates To Remember

Monday 3rd May

Closed for Bank Holiday

Friday 28th May

Break up for 1 week

Monday 7th June

School open

WC 5th July

*Well Done
Olivia and
Ryan! Great job
from you all!*

Gateway's Amazing Learning!

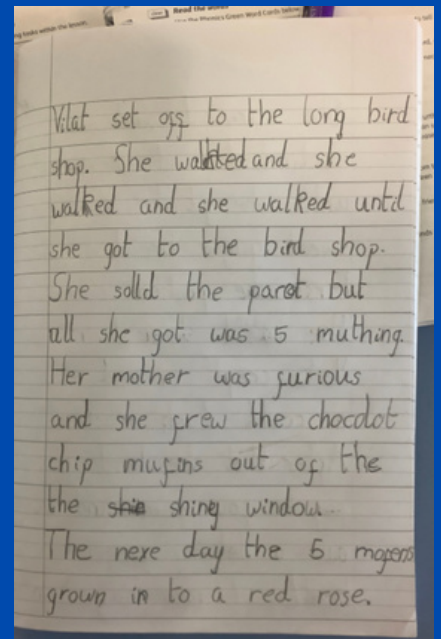

Nursery and Reception

This week in Reception we have begun to learn about the life cycle of a frog. The children were very excited when our tadpoles arrived and we are all waiting for the froglets to appear. In Maths this week, we have been investigating how to sort objects into groups in different ways - as ever the children have amazed us! Nursery have had another busy week and this week they have taken their learning under the sea and have been learning how to recite '1,2,3,4,5 Once I Caught a Fish Alive'

Year 1 and 2

In KS1 all of the children have been working really hard on writing their own versions of Jack and the Beanstalk. Year 2 have written them up in their independent write books. Here is a fantastic extract from one of the stories that a year 2 child has written.

Year 3 and 4

In Year 3, pupils have spent their final week learning to tell the time. Please help children further their learning by talking about the time at home. In Year 4, the children have enjoyed learning interesting facts about the body in VIPERS lessons. On Tuesday, we had our first session at extra-curricular clubs where the pupils really enjoyed arts and crafts, gardening and playing dodgeball!

Year 5 and 6

In the Y5/6 hub this week, everyone has displayed considerable resilience when battling to use long division! We are all A LOT better at this now.

In our writing we have been using description to persuade people to stay in some...interesting places. For example...focusing on the opportunities for stargazing that could be available in a holiday home that has holes in the ceiling!!

Have a lovely long weekend!
