

Gateway Gossip

Hello and hoping everyone is well and looking forward to next week.

I have sent a more detailed letter about the restart of school next week. Please make sure you read and understand the Covid rules and needs for all involved. Routines are so important and often undervalued. If you can look at getting your child in a good routine especially at bedtime, this will help them so much over the next few weeks.

Learning over the last few weeks whether at home or at school has been hard but well done to all trying hard. Thank you!

We wanted to go the extra mile, so have bike prizes to mark the end of home learning where more children have engaged - we announce the winners here after a prize draw so well done to those - you had to be in it to win in! Others with great efforts will be rewarded too. Thank you to all for helping work at home. You are all superstars!

Enjoy the weekend when it arrives and I look forward to seeing you all, at a distance, on Monday.

Best wishes, Mrs Robinson
