16TH MAY

## Message from Mrs Robinson

Dear Parents and Carers,

I hope everyone is well and enjoying the beautiful weather we have had of late. We no sooner leave one bank holiday to find ourselves ready for the next one again. We have one more week before we break up and hopefully the sunshine remains for the week off.

Yesterday saw the Parent Forum event in the hall on the subject of Reading and poetry! Grateful thanks to our visiting author Nathan Parker and for the fabulous turn out from our parents. Grateful thanks, I hope you found it useful and informative. Look out for the photographs to follow!

Well done to Year 6 who all have their SATs behind them now and it is a lovely feeling for the children and the staff. The celebration of pizzas took place today and was well received too!

Thank you all for the attendance levels in school. We have seen some improvements and some consistent percentages over 95% each week recently. Well done Mrs Holland in our office for learning on chasing attendance and for treating it with such priority; it really is very important that children are in school and on time ready to learn. Thank you for all the efforts by everyone concerned, especially all parents for getting children to school each day and on time.

Thank you for reading and I wish everyone a wonderful week off when it arrives. Year 1 children, keep practising your phonics whilst we are off so you are all ready for the Phonic Screening Check. It will all be worth it! I wish you all a wonderful half term break and see you on 2nd June at 8.45am.

With my very best wishes,  
Mrs Robinson

## Dates To Remember

Wednesday 21st May

Year 1 parents Phonics Screening meeting - more details to follow.

Year 6 Trip - more details to follow

Thursday 22nd May

Year 3 Assembly at 2.30pm

Friday 23rd May

School Closes for 1 week

Monday 2nd June

School opens for Summer 2

Tuesday 3rd June

Year 1 Trip

 1B - Maddi  
 2B - Haneen  
 2G - All  
 3B - Sophie  
 3G - Liliana  
 4B - Hafeez-Ur  
 4G - Libby-Mae  
 5B - Hope  
 5G - Ashton  
 6B - Lee  
 6G - Esther

## Reading Award

N - Aurora  
 RB - Ana  
 1B - Niko  
 2B - Lincoln  
 2G - Lucas  
 3B - Marianna  
 3G - Elsa  
 4B - Marcus  
 4G - Oliwia  
 5B - Molly-Rae  
 5G - Tamara  
 6B - Fantasia  
 6G - Scarlet

Well done to all our winners

## CARE Award

Attentive listening and manners being used in the classroom and around school

For showing scholarly habits by being attentive. For also being extremely resilient when things get tough this week.

For consistently helping a member of our class when they have felt sad.

For showing kindness and consideration to his friends.

For always being there to help the Nursery children

## Nursery

Nursery have had a busy couple of weeks. We have enjoyed learning all about Dinosaurs and fossils. The children had so much fun making their own fossils out of salt dough and have been enjoyed the sunshine.

## Reception

The children have really enjoyed our topic of Dinosaurs. We have learnt all about the different types and parts of Dinosaurs.  
We've celebrated VE Day by making our recycled poppies. Please continue to bring your reading books in every day.

## Year 1

I can not believe how much Year 1 squeeze in every week! We have been learning to ask questions and then put them into our independent writing. In maths, we have been doubling and investigating whether groups are equal or not. We continue investigating plants and have enjoyed giving our thoughts about different styles of art work. Please continue to read at home and as always thank you for your continued support.

## Year 2

Another busy few weeks in Year 2! We really enjoyed our trip to Blackpool Showtown and we are ready to write some diary entries about our experiences. In maths, we have dominated division with sharing and grouping equal amounts. In our R.E, we discussed the topic of prayer in many diverse ways. A big shout out to our strong spellers- the number is getting larger every week which is super to see, this means people are trying their best at home to continue their learning.  
Well done!

**LEARNING  
NEVER  
ENDS**

## Year 3

Year 3 have been working extremely hard this week. In particular they have tried hard when learning about emergencies and the different emergency services there are. They can all recall what they would need to do in an emergency. They need your help too please to make sure they know their address and phone numbers incase of an emergency!

## Year 4

Year 4 have had a scorching few weeks. We relished the opportunity to visit Blackpool Football Club for Fit2Go Festival and proudly won the Fit2Go quiz against many other local schools. The children have enjoyed dealing with money in our Maths lessons and learning all about the digestive system in Science. In our writing lessons we have completed our suspense writing and are now exploring newspaper articles.

## Year 5

Year 5 have really been getting stuck into the Science and History topics this half term. We are learning about 'Living Things and their Habitats' and 'Crime and Punishment'. We have had some amazing, practical lessons and the children have worked really hard, together to solve problems and discuss the topics. Well done Year 5!

## Year 6

This week, Year 6 have represented Gateway proudly in this year's SATs. We're incredibly proud of their efforts and look forward to all their future endeavours.
