Message from Mrs Robinson

Dear Parents and Carers,

I hope you all had a wonderful Summer break and enjoyed plenty of family time.

Welcome to our new look newsletter and thanks to Miss Sim for its new design.

We have had a very positive return to school and it has been lovely to see everyone again, and so happy to be returning! School has felt so calm and positive. Thank you for all your support in ensuring uniforms and punctuality needs have been met for so many.

Hopefully you have had a chance to meet any new staff and it's great to see how well they have all settled in. It's a wonderful Gateway family we start off with this year. We are very lucky to have some fabulous staff that really care and a team that wants the very best for each and every child.

We will be sending out a letter soon to remind you of all the expectations to help you and I hope that everyone is able to access MCAS now as so much will be done via this platform so I don't want you to miss out at all. Please contact the office if you are struggling for help or Mrs Riley, our Family Engagement Manager. We will soon have some new mobile phones to help you contact people easier so watch out for the numbers being shared when they arrive but also please use MCAS for those vital messages as this will be a lot easier for you.

Have a wonderful weekend everyone and we will see you all on Monday!

With my best wishes to all,
Mrs Robinson

Dates To Remember

4G - Ruby
5B - Molly-Rae
5G - Ashton
6B - Wade
6G - Lexi

Nursery

Welcome back! What a fantastic start to our year. We have been learning all about us, our families and making new friends. We have been learning new skills in PE and singing lots of songs.

Reception

The Reception children have settled in so well, have been busy making new friends and learning in their new environment. They have been discussing things that we like and our families. Please continue to practise your phonics sounds at home.

Year 1

Wow! The children have had an amazing start to their Year 1 adventure. We are busy learning about nouns, numbers, human bodies and toys from the past! If you have any queries please do not hesitate to contact a member of the Year 1 team.

Year 2

What an amazing start we have had in Year 2! The children have settled in nicely and loved being in their new classrooms! We've been following our core values and our school rules - what a super start Year 2!

**LEARNING
NEVER
ENDS**

Year 3

A fantastic start to Year 3 as the children have made a phenomenal start to their Year 3 learning and are fitting in well into Key Stage 2! They have loved using the practical resources in Maths to begin our learning of numbers up to 999. Keep it up Year 3!

Year 4

What a fantastic start to the new academic year. It has been great to see the children settling into their new classrooms and routines. We have introduced all our new topics and really enjoyed our first swimming session.

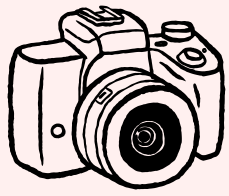

Year 5

We have had an amazing week in Year 5, we are all settling in really well and have hit the ground running! Our Year 5s have been showing some amazing perseverance and resilience with their learning! Well done Year 5!

Year 6

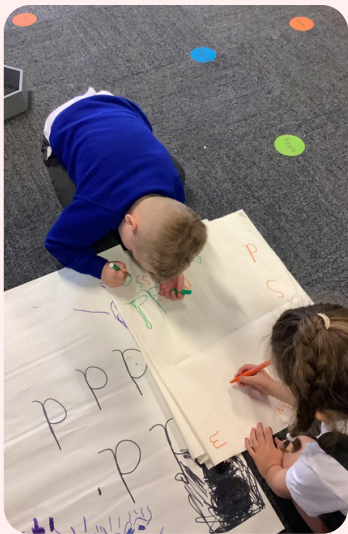

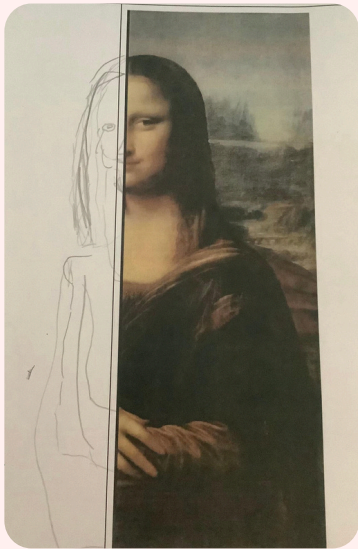

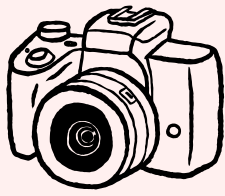

Our Year 6s had an amazing first week back! We began exploring the Mayans in history and enjoyed using practical resources to revisit place value. Looking forward to more next week!
