

# GATEWAY GOSSIP NEWSLETTER

20TH DECEMBER

## Message from Mrs Robinson

Dear Parents and Carers,  
So we make it to the last day of term and with so much that has occurred since our last newsletter!

There has been the wonderful Year 4 Christingle assembly that was so beautiful and also the amazing Nativity performance by the EYFS Team and children. Well done to one and all and so fabulous to have so many families join us as the audience. Thank you for your support!

Thanks also goes to all who attended the Christmas Fair this week! It was its usual success and a great time had by all! Grateful thanks goes to Miss Makinson for all her careful planning and donation of so many of the stall activities. It was lovely to see so many of the Gateway community pulling together to enjoy a lovely evening.

Yesterday we had Christmas lunch in the hall and a lot of fun was enjoyed by all, alongside the Christmas parties yesterday and today.

So a busy two weeks but some great experiences for all. Thanks to all involved in creating the wonderful memorable times.

As we close for the Christmas break we also say some goodbyes. Mrs Hadow leaves us to move to a new role with the Local Authority so good luck and Miss Frankland's is a temporary goodbye as she leaves to commence her maternity leave. We all wish her a relaxing time before her baby is welcomed into the world in January!

Don't forget we finish that bit earlier today at 2.00pm.

Have a wonderful and peaceful Christmas everyone! Enjoy your family time and we will see you on Wednesday 8th January after two days of INSET for the staff

With my best Christmas wishes,  
Mrs Robinson

## Dates To Remember

Friday 20th December

No Gateway Extra  
School closes for Christmas at 2pm

Monday 6th January

Inset Day for staff

Tuesday 7th January

Inset Day for staff

Wednesday 8th January

3G - Maya

4B - Hafeez-Ur  
4G - Jaxon  
5B - Alan  
5G - Sofia  
6B - Bailey  
6G - Scarlet

## Nursery

We have had a fantastic half term together and we have loved watching your children grow in confidence. I'm sure you are all just as proud as us after watching the Nativity last week, they all worked so hard.

## Reception

We have a great half term in Reception and continue to develop all of our learning skills. We hope you all have a great Christmas Break and look forward to seeing you all again in next year.

## Year 1

As we wrap up for Christmas (no pun intended!) it is a good time to reflect on our first term. The children have all been working very hard in their RWI lessons and it is wonderful to hear them read confidently. In maths, we have been learning about 2D and 3D shapes and beginning to use our mathematical voices to explain our understanding. The Year One team would like to wish you all a restful festive break and thank you for your continued support. As always, any questions please do not hesitate to ask.

## Year 2

The first term is over and how quick it has gone! The children have all worked really hard and definitely deserve a lovely half term! We look forward to seeing the children to continue to progress next year!

**LEARNING  
NEVER  
ENDS**

## Year 3

A fantastic half term by all! The children have absolutely loved their D.T topic where they have made sandwiches, with their favourite part being able to eat them! Lots of children's sandwiches looked shop worthy and everyone was very safe and hygienic too! Have a lovely well earned Christmas break everyone and we will look forward to seeing you in the New Year!

## Year 4

What a fantastic term we have had in Year 4 culminating with our festive Christingle service. The children have made huge improvements with their swimming and their times tables knowledge is really coming along. Make sure your child gets lots of practice on TT Rockstars over the holidays and we will have more Rock Legends in the New Year.

## Year 5

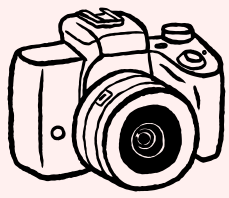

What an amazing first term in Year 5! They have all worked so hard and should all be really proud of themselves. We hope that everyone has a lovely break and we are looking forward to seeing you all after the holidays!

## Year 6

This week in Year 6, we've been having a fantastic time exploring different measures in Maths! We're learning all about length, weight, capacity, and even time. It's been so much fun getting hands-on with practical activities. We're also getting into the festive spirit and have been busy writing our own wonderful Christmas poems
