

Gateway Gossip Fortnightly

Dear all,

I hope you have had a wonderful half term break and have enjoyed the lovely Summer weather so far. It really has been exceptional!

We have had a busy return to school and hopefully you will have seen the event list that has recently been shared on Dojo. Have a good read of this as there is a lot going on over the next few weeks and I don't want you to miss anything!

School is very busy (and quite loud!) whilst all the children experience cultural differences in learning The Haka ready for sports days next week. I am sure you will all enjoy the days and we hope it's not too hot. Come along and enjoy the fun.

A reminder that school uniforms are still expected and of course summer dresses and shorts are ideal for the warmer weather. Some children are attending in their own clothes and not school uniforms or PE uniforms on the correct day. If you have any issues then please see Mrs Riley for support.

I look forward to seeing you over the next few weeks at the many events that are scheduled.

It's always wonderful when we have parental support at events and the children love this too. Of course the Summer Fair is not too long away on the 19th of July so a definite one for your diary!

I hope you have a great weekend and have a relaxing family time especially with any men in your households for Father's Day.

With my best wishes,
Mrs Robinson

Year 6

Last week, "This week in Year Six, we have been reading a letter from World War II. During our PSHE (Personal, Social, Health, and Economic Education) lessons we have been learning about the negative effects of drugs. In our maths lessons, we have been solving two-step algebra problems. In English, we are beginning to plan and write our own evacuee letter. Additionally, every day we have been practicing for our play production."

Learning at Gateway!

Nursery

We have had a lovely return to Nursery. We have been reading all about 'Billy's Bucket' and loved seeing the different under the water animals that were in there. We have been using our imagination and going on our own bucket adventures. We have been learning the Haka ready for our Sports Day performance and practicing the races we will partake in. We hope you can come and cheer us on! Thank you to all the parents who came to our 'Cake at Book Time.' Next week sees the start of our Nursery 2 children visiting their new classroom and teacher.

Year 1

We worked in our house teams to complete 2 CoJo missions! Well done to all the children who have worked really hard this week.

Year 3

Year 3 have been very busy this week celebrating Health Week in school.

Year 5

Year 5 this week have been planning and writing their own Adventure Tale. In Maths, we have been focusing on Fractions, Decimals and Percentages. Also, in Science we have been learning about the life cycle of a butterfly.

Reception

As part of our topic Summer, we have discussed how we can keep safe and the things we might do during the Summer. Lots of people go for picnics during the Summer time so we had a teddy bears picnic at school. The children had a lovely time. They also enjoyed some teddy yoga when they came into school and reading a story with them after lunch.

Year 2

Year 2 had a wonderful trip to the RNLI centre where they got to learn lots of interesting facts about water safety and people being rescued. In addition, we enjoyed a picnic in the beautiful weather and all had a lovely day. Well done to Year 2 for their excellent behaviour they were a credit to the school.

Year 4

Year 4 have been very busy this week celebrating Health Week in school.

Year 6

We had a fantastic week in Year 6! The children looked amazing in our class photographs, which will be treasured keepsakes. They also embraced Health Week, practicing a Haka dance and completing COJO fitness missions. It was inspiring to see their enthusiasm and teamwork. Our students dedicated time to rehearse for the upcoming production, displaying growing confidence and dedication. We can't wait for you to witness their talent. We were fortunate to have a visit from the NSPCC, who provided valuable sessions on child safety and online well-being. Additionally, we had an Art Day where the children created wire models, showcasing their creativity. As the school year comes to a close, we're proud of the growth and development we've seen in our Year 6 students.
