

Gateway Gossip Fortnightly

Dear all,

Another week passes by so quickly for us all.

We have seen some very successful transition sessions this week and a big thanks to our new teachers and staff for joining us this week. It has been a very successful period of time for the children to get used to their next year group, teachers and expectations.

This week we saw the 100% attendance party! A great afternoon with so many attendees - well done to all those children, and more so the parents, who have ensured children have been in school all year - please keep up the great work. Attendance is so important and a big focus for next year.

Nursery has a great Graduation Assembly this week and looked so very grown up and all ready for Reception. Tissues to the ready parents!

As we head towards the end of another academic year I wanted to say a big well done to all our children who have tried hard and in particular those who have taken tests in the last months. We have some great results and more importantly, the children tried their very best which is all I ever ask.

We have more to look forward to next week with the Year 6 production which sounds fabulous through their practises in school already. Then we have the EYFS assembly along with a Circus trip for Year 2 and Key Stage 2 on Wednesday, followed by Gateway's Summer Fair! I hope to see you there and fingers crossed for the weather

Remember we finish school next Friday at 2.00pm. Please collect children promptly.

Have a lovely last weekend before we break up.
With my best wishes,
Mrs Robinson

Every Wednesday

Parent and Toddler group 9.30am-10.30am.

Dates To Remember

Tuesday 18th July

Reception - End of year assembly at 2.30pm

Friday 21st July

School closes for Summer at 2pm.

Teacher Training

Training to teach

Here at Gateway we are proud to be heavily involved in teacher training, and our local 'SCITT' [School-Centred Initial Teacher Training] programme is the on-the-job, one year personalised programme of exceptional quality. If anyone you know is interested in a career in teaching, there are places still available in primary and secondary for this September and it's not too late to apply. Contact aly.spencer@blackpoolsixth.ac.uk for more information and support with applications.

100% Party

Learning at Gateway!

Nursery

What an amazing week we have had! Our Nursery 2 children were brilliant in their Graduation show and there were lots of happy tears. We are all so proud of them. We enjoyed French Day where we learnt some new words and tasting French food. We are looking forward to our 'Festival Week' next week.

Year 1

Year 1 have had another busy few weeks! We have had a wonderful time celebrating french day where the children enjoyed going to the 'French Cafe' to try pancakes and croissants. We also enjoyed our trip to the Grand Thertra to watch The Smeds and The Smoos. The children were amazing and did us proud. We cannot believe our final week in year 1 has arrived but we have an exciting week and look forward to spending the remaining of our time together before they go to year 2!

Year 3

In Year 3, we have enjoyed our transition with Miss Cocks who we are familiar with but have enjoyed getting to know more. We have been in our new classroom and we are excited to prepare for our year 4 journey.

Year 5

Year 5 have worked hard this week and have enjoyed going into Year 6.

Reception

We have been super busy today celebrating French Day .The children have brought in some wonderful creations and pictures from home and dressed in red, white and blue. Thank you to all the parents for your efforts. The children have been busy in class learning some French words, learning about and creating their own Eiffel Towers and creating g the French flag. The children had a wonderful breakfast at the French Cafe.

Year 2

Year 2 have enjoyed getting to know their new teachers in year 3. They have really enjoyed the DT project where they have designed and made their own friendship bracelets. The highlight of the children's week has been 'French Day' where they played lots of games to help them learn the colour names in French.

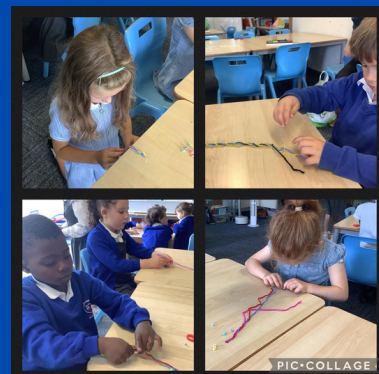

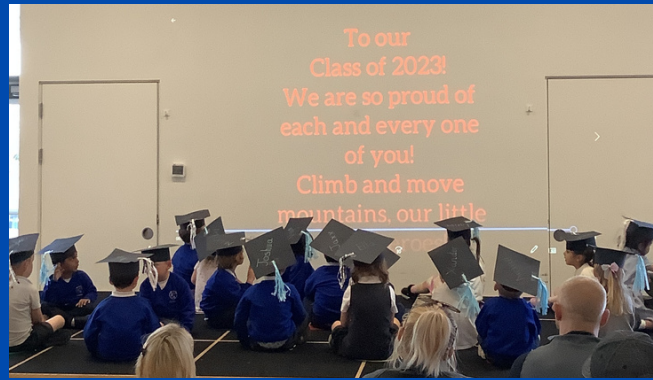

Year 4

Year 4 have had another amazing week. This week we celebrated the end of our swimming lessons by having a pool party, the children had an amazing time and it was great way to celebrate all of their hard work. We have lots of exciting plans for our last week together and know the children are particularly looking forward to our trip to the circus next week. As always, please make contact with one of the Year 4 team if you have any queries.

Year 6

We are working hard on our show ready for next week.

Our Pictures

Have a great weekend!
