

Gateway Academy News

15th May 2020

Dear everyone,

I hope you are all well, enjoying some sunshine and getting some fresh air. The weather has been relatively kind to us as we travel through the weeks and the changes that have occurred.

I have enjoyed reading lots of messages about all the activities everyone has been completing. I hope by now everyone has read about all of the amazing dojo prizes on offer ! Keep trying hard and earning as many as you can.

We all miss our children and families very much so please stay in touch.

As you know there are discussions around returning to school for some year groups. I have sent out a separate letter too but for now we don't have any concrete plans. We will let you know more as soon as possible.

Don't forget - it is Thank a Teacher Day on the 20th May. Your teachers and staff are working so hard so why not give them a mention!

The link on the internet is here :- <https://thankateacher.co.uk/thank-a-teacher-day/>

Stay safe and well everyone and we will see you soon.
Kind regards,
Mrs Robinson

Come and visit elegant Blackpool

Arrive by train and within a minute you will be walking in the fresh and clean sea air of Blackpool.

Walk up to the elegant North Pier and promenade along the wooden decking to be above the sea.

The clean sands are enticing to walk upon, but remember take your best shoes and socks off.

Be excited and amazed with the fantastic rides and swings at the new Pleasure Beach on the sands of south Blackpool, just a short walk in the wonderful sea air.

Take an omnibus to the Spectacular Stanley Park. Walk along the tree lined pathways. See the floral gardens and breath in the scents of many amazing flowers. Find the large lake with delightful Swans and ducks upon its waters. Take to the rowing boats to explore this inland sea.

Before you leave for home take a look at the fantastic spectacle that is the electric powered lights. You will not see them anywhere else in the Empire. Stand in awe as night becomes day.

Mrs Danyadi is very proud of all Maddison's hard work and especially her reasons for why people should visit the very elegant Blackpool!
