

Dear all,

Welcome to the final newsletter of the Spring Term and what a busy one it has been!

This week in particular has been very exciting, and I am sure the pictures will help tell the story yet again.

We had a fabulous Ancient Greece production by Year 3 yesterday. The children had an amazing time and it was so lovely to have so many parents join us to celebrate the learning that has taken place this half term.

Early Years hosted a parent's family fun sessions and the children loved showing off their classrooms and sharing time with their adults.

Year 4 have attended the Grand Theatre for a production of Gangsta Granny and travelled on the tram. Finally we have also held an Easter bingo session on Thursday after school and again lovely to see our community coming together once more and a huge benefit for the children also. It really has been wonderful to see happy smiling children and lots of more normal times are yet to come with events through the Summer Term also.

I am sure you will join me in saying a heartfelt thank you to all the staff for helping with all the events that have taken place this half term. Many have given up their own time for the events too and really have a passion for helping the children have a memorable and happy time both through their learning, but also in their recovery from Covid times where socialising was not so easy.

I wish everyone a peaceful and relaxing Easter break and look forward to seeing everyone on Tuesday 19th April at 8.45am.

Take good care and happy holidays!
Best wishes,
Mrs Robinson

Dates To Remember

Tuesday 19th April
School opens at 8.45am

Gateway Extra
Wednesday Special
Join us for Sports camp Wednesday
3.15pm-5.30pm
Snack provided.

Please book through the school office. Let us know if your child has any allergies.

Please check Parent App to update and return the pick up permissions form. Thank you

Let's Celebrate!

Mrs Davis

"The boy at the back of the class. I love this story because I love the team work of the children within the story and it keeps you guessing what might happen next in their adventure."

Staff Shoutout

Congratulations to Miss Davis who is getting married on Monday. The best of luck from your Gateway Family!

Gateway's Amazing Learning!

Nursery and Reception

We have had a fabulous week in EYFS to end our Spring term. It was fantastic to see so many parents in school enjoying Easter crafts. The children have enjoyed investigating Easter and looking at important symbols we see at this time of the year. The EYFS team would like to wish you all a happy Easter and an enjoyable holiday.

Year 1 and 2

The year 1 children have really enjoyed finishing off their pop up toys in DT and they couldn't wait to take them home. They have finished writing their own versions of the story Where The Wild Things Are this week and the grown ups were very impressed with the children's writing, it was simply amazing! Year 1 completed their exciting geography topic by drawing their own maps of the local area and creating their own symbols like the ones they spotted on the OS maps. Year 2 have worked really hard this week with their writing and have written a range of fact files within a range of different subjects. Please encourage your child to try hard with their Easter homework as this is all to support them in their SATs preparation. Enjoy a lovely well earned half-term break and have a lovely Easter!.

Year 3 and 4

In Year three, we have been rehearsing and then performing our assembly on Ancient Greece - which was brilliantly performed by us all. We then tried some Greek food - although not everyone was keen on the olives, we loved the yoghurt with honey. We have also finished our discussion pieces writing in third and first person - giving our own opinions on lots of subjects - a truly inspiring week for Y3!

Year 5 and 6

This week the children have been finishing off the learning in all their topics whilst enjoying some fun and exciting Easter activities! This has finished off a great term of learning and we are excited to continue with some upcoming topics in the Summer term: check out the homework chart to find out more! Naturally, a two week break is a long one and it would be incredibly beneficial to your children to be reading lots and doing any homework sent home. These are very important times for the pupils in Year 6 and they are of an age now where they need to be revising at home also. Year 5 - this will be you next year so build some good habits. Have a lovely break too!

Any other business

Goodbye Mrs Carroll!

You've been here since day one and we are so thankful for everything you've done. You'll be sorely missed. Enjoy every bit of your retirement. You'll always be a member of our Gateway family. Best wishes, always. xx
