

Dear all,

It has been a very Sporty and Healthy Week at Gateway Academy! Thanks to all who attended the various Sports Days. They were fantastic and I am sure you will all agree how wonderful it is to have everyone back on the school grounds to watch with no restrictions as was the case last year. The children loved it; we have some great photographs and my grateful thanks go to Mr Barnaby for his entertaining contribution and use of his equipment! Several children have been part of Youth Games and with some fabulous successes. On top of this there's been some fabulous smoothie making activities which the children have loved and challenged themselves to try new fruit in a drink ... some wonderful comments and faces!

Please remember, as the sun shines increasingly to ensure children have suitable sun hats and sun cream available.

Another reminder that uniform standards are being monitored. If for any reason you are struggling then please come forward and speak with Mrs Riley, who is on the gate daily. We will help wherever we can, but uniforms are non-negotiable and all children are expected to be coming to school wearing what is expected, both in basic uniform terms and PE clothes also. If you are unsure please ask.

I hope you all have a relaxing weekend and make the most of the sunshine in flaming June!

With my best wishes,
Mrs Robinson

Dates To Remember

Tuesday 28th June

Year 4 Trip to the Grand Theatre.
EYFS - Punch and Judy Show

Thursday 30th June and Friday 1st July

Year 6 Transition to High School
Whole School Transition

Wednesday 6th July

Staff Shoutout

Mr Barnaby for once again, bringing the life and soul to Sports Day. Your enthusiasm brought joy to everyone involved and entertained the audience too! (Well done parents on your Mexican Wave!!)

Mr Chadwick for during a sports trip to Stanley Park, Mr Chadwick ran the last bit of the race with one of our pupils to give her confidence and support in finishing.

Miss Johnson for organising and delivering a wonderful sports day. Children, families and staff appreciate all the hard work that went into the two days.

Mrs Ferguson for organising and delivering a wonderful sports day. Children, families and staff appreciate all the hard work that went into the two days.

Gateway's Amazing Learning!

Early Years

Everyone in EYFS - children and staff - have had an amazing 'Health Week'. We started the week tasting healthy food and expressing likes and dislikes with some children very bravely trying foods they had never tasted before.

On Wednesday our children were exemplary role models for Gateway at their Sports Days, showing our core values in the beautiful Blackpool sunshine. On Thursday we made fruit smoothies - they were delicious! We ended our health week by taking part in Pro-Strike and yet again the children had an amazing time whilst learning about the importance of healthy living. Thank you to our own Miss Johnson and to Mrs Ferguson for organising such a great week.

Year 3 and 4

In Year 3 this week we have enjoyed a super week of health and fitness activities. We have made fresh fruit smoothies, enjoyed a great game of football - 3G vs 3B, where nearly all the children represented their class and the score was a magnificent three all. We have also enjoyed and all taken part in our brilliant Sports Day showing our athletic skills in the glorious sunshine!! A very healthy week for us all. Firstly, we were so impressed with the sportsmanship and team spirit of the Year 4s during their Sports Day. We also had a Year 4 football match which really highlighted their teamwork and leadership skills. In Maths this week we have been looking into plotting and writing our own coordinates in Geometry. English this week the children have been exploring the structure of the text and developing their own ideas. We also had our final rehearsal before our Tales Retold performance at the Grand Theatre, which the children are very excited about.

Year 1 and 2

KS1 have had an absolutely fantastic week this week for health week.

Firstly, thank you so much for so many of you coming to cheer them on at Sports Day on Wednesday - KS1 tried so hard, showed lots of resilience and had an absolute blast!

Secondly, they have absolutely loved some of the other activities they have taken part in for health week from mindfulness yoga with 'Bendy Wendy' to making and enjoying some lovely fruity smoothies.

Through all the excitement the children have still been superstars. Well done KS1 keep it up for the end of the half term with some more fun filled weeks!

Year 5 and 6

Health week was a hit in Year 5 and 6 with many exciting activities taking place, including smoothie making, Sports Day and football matches between the classes! Congratulations to all children taking part! Year 5 have also had an exciting visit from an author - ask your children about this! Year 6 have continued to think ahead to high school and prepare themselves ready for next year but also for next week as they visit their schools for a couple of days.

Any other business

Sun Safety

We are pleased to inform you that Blackpool Gateway Academy are taking part in the Sun Safe Schools national accreditation programme - the content of which forms part of our duty of care to ensure the health and wellbeing of your child(ren) during school hours.

Whilst we recognise that some sun is good for us, Sun Safety is an important health and safety issue. Children spend almost half their childhood at school, with a great deal of time spent outdoors. During the warmer months of the year children are exposed to Ultraviolet Radiation (UVR) from the sun, the majority of which is when penetration is strongest (between 11am and 3pm). Without adequate protection, a child's delicate skin can easily burn, this can cause cumulative and irreparable damage that can significantly increase their risk of developing skin cancer in later life.

Sun hats should be either broad-brimmed (bucket style) or legionnaire to shade the face, neck, ears and cheeks. We recommend that sunscreens have a minimum Sun Protection Factor (SPF) 30, be 'broad-spectrum' (to provide both UVA and UVB protection) and, if labelled with a UVA star rating, carry a minimum of 4 stars.

Please fill in the form on ParentApp or ask your class teacher for a letter.

Fact of the week!

Did you know you can buy pyramid shaped watermelons in Japan!

We love reading! Book Recommendation.

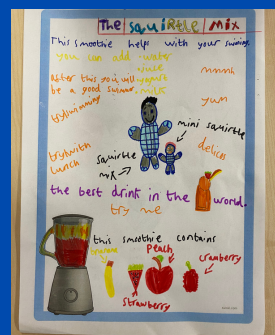

Where Seagulls Dare: A Diamond Brothers Case by Anthony Horowitz.

Private investigators Tim and Nick Diamond haven't had a case for three months and are down to their last cornflake. So when a glamorous woman comes into their office offering them a pile of cash to find her missing father, they think Christmas has come - only it turns out they are the turkeys!
