

Dear all,

Another week passes by so quickly for us all.

More transition sessions were undertaken this week and a big thanks to our new teachers Miss Hett and Mr McCormick for joining us for the sessions this week. It has been a very successful period of time for the children to get used to their next year group, teachers and expectations. Well done to all concerned as all sessions were very well received and successful.

The Summer Fair was on Thursday and what a fabulous time we had! Well done to all the staff involved and especially Miss Makinson who organised so much. We raised an amazing £900.00 which is remarkable - thanks to everyone concerned!

Then we had the 100% attendance party on Wednesday! Another great afternoon with so many attendees - well done to all those children, and more so the parents, who have ensured children have been in school all year - please keep up the great work.

Our Ofsted inspection report is now on the Ofsted website. Please read if you haven't done so already. It is a fabulous read and really reflects all we try to do daily in school. Look out for more publicity and signage to celebrate around school very soon! The children's party is next week and I'm sure it will be another fabulous occasion in school.

Remember we finish school next Friday at 2.00pm. Please collect children promptly.

Have a lovely weekend.

With my best wishes,

Mrs Robinson

Dates To Remember

Wednesday 20th July
Gateway's Got Talent

Thursday 21st July
Year 6 performance.
Dojo Shop open.
After School Club final day.

Friday 22nd July
Break up for Summer at 2pm.

YEAR 6

Tuesday 19th July - Year 6 Water Fight

Thursday 21st July Evening - Year 6 Leavers Disco

Wednesday 31st August
School opens for Nursery and Years 1-6

Thursday 1st September
Reception Starters Group A and B

Gateway Extra

WC 18.07.22

Tuesday Crafts
Crafts
Wednesday

Thursday
Final Gateway
Extra this year

Please book through the school office. Let us know if your child has any allergies.

Overall

Staff Shoutout

Thank you to
Miss Makinson
and Team
Gateway for
organising and
producing an
amazing
Summer Fair.

The winners from the 'guess
the amount of gems'
activity were Harry G in
Year 6 and second place was
Kacey K in Year 4.

1st place is a ticket for a
family of 4 to Blackpool Zoo
and the opportunity to feed
the giraffes

2nd place is a ticket for a
family of 4 to Blackpool Zoo.

Gateway's Amazing Learning!

Early Years

What a fantastic week in Early Years. 'The Ridiculous Rhyme Show' was enjoyed with lots of laughter on Monday. We've been busy making cakes for the Summer Fair, thank you to another who donated. A big "THANK YOU" to all the grown ups who came to watch the Reception assembly, no doubt you were as proud of the children as we were, lots of happy tears were following.

The children were brilliant in their transition to Year 1. We are looking forward to our last week together!

Year 3 and 4

This week in Year 3, we have been learning about Kenning poems in English and continued exploring Geometry in Maths, learning about parallel and perpendicular lines - we even managed to find some examples in the classroom as part of our maths exploration!! We have finished our journey to Tudor Times and what an amazing History topic has been... When was the Battle of Bosworth again? And the cure for a cough? And then into transition, and now here we are at our final weekend, heading into our final week of Year 3....What will it bring? Hold on to your hats! It's going to be busy and probably quite emotional!

This week we have been writing our own independent stories based on our 'defeating the monster' tale, focusing on adding fronted adverbials and expanded noun phrases into our writing. In Maths we have continued our work on Place Value by exploring rounding numbers to the nearest thousand. In DT this week the children have finally put their skill to the test by creating their own lighthouse, complete with light bulb and on/off switch. Thursday and Friday, the children have really enjoyed getting to know their new teacher ready for next year.

Year 1 and 2

Year 1 have enjoyed their transition days and they have been busy settling into their future classrooms. They have been thinking about what animal they would like to be and why as well taking part in lots of games to help them get to know their new teacher.

Year 5 and 6

Year 5 have had a very productive week this week. We have started the week by exploring a new extract from 'The Lion, the Witch and the wardrobe'. Year 5 have been planning their own diary entry about their experiences of entering the wardrobe. In Maths, we have been translating shapes on a grid by plotting coordinates.

Swimming was one of our highlights this week as we had the opportunity to play water polo.

The children loved this!

This week, Year 6 have been completing transition activities getting ready for their move to high school! This has been a fantastic opportunity for students to look back at their years at Gateway and think about the opportunities that are ahead. Next week, we look forward to our end of year activities and our final year at Gateway. One week left
Year 6!

Our Week In Pictures

URPotential
Summer Volunteering

WEEKLY BEACH/PARK LITTER PICK

Wednesdays in August
 Under 18's
 12.30 - 2.30pm
 Due to limited number of litter pickers please contact us to confirm attendance
