

Dear Parents and Carers,

I hope you all have a wonderful Summer break and stayed well. Thank you very much for your support and cooperation in the return to school this week with the children looking very smart in brand new uniforms and on time. Thank you. What a great return to school for everyone it has been and the children seemed very happy to be back. We are very pleased to see them all again, especially looking so happy!

It has been a great first full week back. The learning is underway and there is a sense of positivity and excitement in learning especially seeing as we are a Good school!

Lastly, yesterday's news about our wonderful Queen has no doubt saddened us all especially after seeing her welcome in the new Prime Minister only days earlier. We will be recognising all she represented over the coming days during the national period of mourning and supporting our children wherever they may need it in their sadness.

I am sure you will join me in celebrating all Queen Elizabeth II achieved during her 70 year reign and the positive spirit she generated for the country for so long. It is a landmark period of time in all of our lives that we and the children will always remember. RIP Queen Elizabeth II from all at Gateway Academy.

With my best wishes to all,
Have a peaceful weekend.
Mrs Robinson
