

YEAR 4 MULTIPLICATION CHECK

Information by Miss Dugdale (Year 3/4 Phase Leader)

WHAT IS IT?

All children in Year 4 will participate in a multiplication check in June 2022.

The purpose of this is to check your child's fluency of recalling their times tables up to 12x12.

It is an on-screen check. It has 25 times tables questions.

Your child will have 3 practise questions and then 25 questions with 6 seconds to answer each question.

The check should take no longer than 5 minutes to complete.

WHAT DO I NEED TO DO AS A PARENT?

It would be great if you could help your child practise at home.

They can access Times Tables Rock Stars from home.

You could make question cards for your child to try and quickly say the answer.

You can get your child to write the answers down to times tables question as quickly as they can.

HOW WILL THE RESULTS BE USED?

As a school we will have access to all of the children's results. This will help us to identify any children that may need further support.

WILL I RECEIVE FEEDBACK ON MY CHILD'S CHECK?

Yes as a school we will share your child's score with you. There is no pass mark for this check.
