

Dear all,  
I hope everyone is well.  
Well what a busy week! I think this tops all others too!

There have been a few parent assemblies in school and our new to Reception parents session took place, Early Years visited the farm, we have had some special visitors and then there's the Jubilee celebrations. What can I say? I think the pictures will do all of the talking.

A huge thanks to everyone for the Jubilee celebrations and the fabulous turn out that lined the streets. The children had a fabulous time, and so did the adults! Mr Barnaby was the superstar and as entertaining as ever! Thanks to Miss Makinson for all her organising, to the musicians, lunch staff and ice cream man - It was truly fantastic and I think the children will remember for the rest of their lives! Their rendition of God Save The Queen was very touching; British Values at its best!

Our special visitors enjoyed their visit and the children told them all about their experiences in school. Their report will be produced soon and I will then be able to share the content. In the meantime, thank you to all of our Governors who have attended several meetings this week to support school and celebrate all that Gateway stands for.

I hope you all have a fabulous half term break. I look forward to seeing everyone on Monday 6th June! Enjoy the break.

With my best wishes,  
Mrs Robinson

## Dates To Remember

Friday 27th May  
School closes for 1 week.

Monday 6th June  
School opens at 8,45am

WC 20th June  
Health Week - includes Sports Day and Pro-Strike - More details to follow.

Thursday 23rd June  
Photograph day - Siblings and Individuals.

## Gateway Extra

WC 08.06.22

Tuesday Crafts

Crafts

Wednesday Film

Children's choice

Thursday Sports

Sport Day  
activities

Please book through the school office. Let us know if your child has any allergies.

## Overall

## Staff Shoutout

Congratulations to Miss Millet who gets married tomorrow. Good luck from your Gateway family. Miss Millett will be known as Mrs Cardwell.

# THANK YOU

This week we say well done to ALL the staff in school. To the cleaners, office staff and those directly working with the children, a huge THANK YOU!

# Gateway's Amazing Learning!

## Nursery and Reception

The children have had a fantastic last week to end our busy half term. Tuesday saw the sun shine for our visit to Ridgeway Farm. The children had an amazing time and special thanks to Farmer Helen who spent some much time with us. I imagine the children were just as tired as the staff after such a fun packed day! On Thursday the weather was not quiet as kind but the children still had an amazing time celebrating the Queen's Jubilee.

We wish you a happy and relaxing half term break and we look forward to seeing you on Monday 6th June.

Thank you for your continued support.  
The EYFS Team.

## Year 1 and 2

Year 1 have had such a busy week and would like to thank all the parents/carers who came to support us in our assembly on Wednesday. Year 2 have completed an investigation in Science. We poured water into plastic beakers and then added blue food colouring to them. After that, we cut the stems off our roses and then placed them into the beakers. We monitored our roses to see what changes had occurred. Key Stage One wish a lovely half term break.

## Year 3 and 4

Year three has had a super week this week, and really impressed our Ofsted inspectors when they came to see us in Geography, when we were discussing the human and physical effects of the Olympic Games when they were held in Rio as part of our topic of Brazil. We have looked at temperature and made a human thermometer in maths and finished our nonfiction information texts about all sorts of incredible creatures in English. We also had a fabulous day celebrating The Queen's Platinum Jubilee with a street parade and then ice-cream and a disco outside making memories that will last a lifetime.

In English Year 4 have been planning their own invention based on our explanation text, The Teacher Pleaser. In maths this week we have continued to investigate money with a focus on rounding and estimating amounts. The children have enjoyed creating a shop and how to round and estimate different amounts to see if they have enough money to buy different items. In Science we have been out in the school grounds collecting invertebrates and then creating keys to classify them. In History this week we have been finishing off our topic on the Indus Valley and preparing for our fantastic class assembly for parents. We hope you all have a great half term.

## Year 5 and 6

Another fantastic week of learning has come and gone in Y5/6! The children have enjoyed learning about the UK, about adaptations and classification. There has been lots and lots of reading taking place in a range of subjects and some excellent writing too. To end the week, the children thoroughly enjoyed the Jubilee activities and an ice cream too! I hope all the children have a great break after a busy half term! When we come back, this will be our final half term in primary school for our Year 6 and our final half term before the Year 5 children become the oldest in the school. This is a big part of the year and I look forward to welcoming the children back with a sense of maturity and readiness for the challenges ahead.

# Any other business

## Queens Jubilee

A big thank you to all the parents/carers who lined the streets to watch our procession. The children and staff had a fantastic time and we didn't let the rain stop us! We then enjoyed our picnic and disco, followed by a well deserved Ice cream. What a great day celebrating the longest reigning monarch, Queen Elizabeth II, who on the 3rd June celebrates 70 years on the throne.

## Fact of the week!

The Queen has two birthdays  
Her actual birthday is on 21 April and her official birthday, which is held on a Saturday in June - when the weather's better!

## We love reading! Book Recommendation.

### Magic Born by Peter Bunzl.

The Curse is changed. You'll never know. The truth is lost. The lie will grow. The year is 1726 and the Royal Sorcerer of England is on the hunt for those who are magicborn. When Tempest is captured after accidentally unleashing a power she didn't know she had, she is taken to Kensington Palace alongside a boy like her, Thomas. A battle is building - one only they can end. But who will survive?
