

My Child At School Account Creation Guide

Aspire Academy will now be using **My Child At School (MCAS)** to send important information to parents, such as academic report cards. You will receive an email inviting you to set up your MCAS account. Click on the link in the email to set up your password.

If you do not receive the email, please contact the school to check we have the correct email address for you, we will then re-send the email.

The screenshot shows the 'my child at school.com' logo at the top. Below it is a blue bar with the text 'CREATE YOUR PASSWORD'. Underneath are two input fields: 'Enter Password' and 'Confirm Password'. At the bottom is a blue button labeled 'Create Password'.

Once you have created your password you can log into your MCAS account via the website (<https://www.mychildatschool.com/>) or via the MCAS app. The app is available to download for free on the Apple and Google Play stores.
