

25<sup>th</sup> November 2021

Dear Parents/ Carers,

As usual we are going to collect some goods for charity this year. All of the donations will be going to 'Blackpool Salvation Army' where they will help children, young people and vulnerable adults.

Christmas is fast approaching and the extra burden on families is to provide Christmas gifts for the children and extra food and treats. With this in mind, our Christmas Appeal asks for both gifts and food items. I understand that this may not be possible for everybody, but any donations will be greatly appreciated.

For the food cupboard we are short of the following items:

- Jars of curry
- Small packets of cereals in a family pack
- Tinned meat or fish
- Boil in the bag rice
- Pot noodles
- Small packets of pasta
- Small packets of instant coffee
- Tinned puddings
- Any other tinned or packaged food.

In addition to this, toys can also be donated.

Can I please ask that all donations are handed in by the 17<sup>th</sup> December 2021; this gives us enough time to deliver the donations.

Thank you for your help and we wish you all a very Happy Christmas.

Kind regards,

Mrs Gregory  
PSHE lead
