

# Aspiring Apprentices STEM careers

Week commencing: 09/02/26

APPRENTICESHIP VACANCIES –  
Fylde area

**Lancashire Constabulary**

Finishing school/college and not sure on your next step? Thinking about a career in policing?

Our police constable degree apprenticeship route allows you to earn a policing degree with University of Lancashire whilst earning a starting salary of £31,164 as a front-line police officer for Lancashire Constabulary.

Sound good?

Come along to our information evening on **11<sup>th</sup> February 4pm-7pm, University of Lancashire, Foster Building, Preston** to learn more about the course, the training, life as an officer and much more.

APPRENTICESHIP Webinars  
Fylde area and Further afield

**\*Future Skills course: Careers in STEM**

**EDT – Industrial cadets – closing date for applicants Friday 13<sup>th</sup> February**

The course is open to **Year 9 & 10** students of all abilities and is a fantastic opportunity for them to explore STEM Careers in four key pathways and gain a nationally recognised accreditation, similar to the DoE, that they can use as evidence of their experience to support future applications and career journeys.

**The course will include a series of live sessions:**

Live Q&A sessions with STEM professionals in four key STEM areas Net Zero futures, Digital AI futures, Health and Life Sciences futures and Engineering, Infrastructure and Manufacturing futures. A session with early careers professionals on how to make successful applications including how to showcase their skills on their CV, applications, and interviews. Hear from apprentices and universities about opportunities available in STEM in interactive panel Q&A sessions. A session with early careers professionals on how to succeed in the workplace including how to ask questions, networking and writing professional emails.

At the end of the course, students will develop their own action plan for how they can succeed in a STEM career.

**NEBOSH Careers in Health and Safety**

 Date: Thursday 12th February 2026

 Time: 6:30-7:30pm

 Who Can Attend: Year 10, Parents & Guardians!

Want to get paid £50k to work at the world's most iconic events? Join us at 6:30pm to discover the "secret" career that gets you backstage at global TV sets, stadiums, and festivals.

If you want an active lifestyle where no two days are the same, this is the ultimate industry hack to earn big while staying at the heart of the action. Whether you're in Year 10 or Year 13, this is the future-proof career you never knew existed.

## Discover apprenticeships

<https://www.eventbrite.co.uk/e/raf-world-from-the-ground-up-tickets-1688060236609?aff=erelexpmilt>

Explore RAF careers and apprenticeships with live Q&As, specialist rooms and interactive experiences. Your journey starts here.

Step up with RAF World: From the Ground Up, the Royal Air Force's first virtual event of 2026 taking place on Wednesday, 4 February, right on the doorstep of National Apprenticeship Week.

This is your chance to explore how careers in the Royal Air Force are built from the ground level, offering an inside look at the skills, expertise and teamwork. Whether you're starting to think about apprenticeships, fascinated by engineering and technology, or inspired by the challenge of service, this event is your access point to discover what's possible.

What's waiting for you:

- **Live Q&As with RAF experts** – Hear first-hand from those who've trained, qualified and built careers through RAF pathways.
- **Apprenticeship Insights** – Explore routes into the RAF, from technical trades to specialist roles and see how you could begin your journey.

**Lancaster and Morecambe College**
