APPRENTICESHIP VACANCIES – wider area

YOUR CHILD, THEIR FUTURE Virtual webinar for parents
Thursday 24 November 6pm to 7.30pm
Young Professionals are hosting an online webinar event for parents via Zoom. This event is to give parents information on how to support their child in making the best decisions for the future. There will be some leading employers online including KPMG, BT, British Airways and more who will talk about application procedures, interviews, graduate, and apprenticeship opportunities. To register for the event, click [here](#)

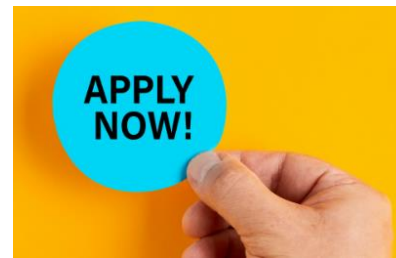

Year 11 students can join the PwC Talent Network where you can keep up to date with career opportunities at PwC. By signing up, you will be the first to hear about upcoming events and opportunities. Click [here](#) to join.

APPRENTICESHIP VACANCIES – Fylde area

Our apprenticeships offer you an 18 to 36 month opportunity to take part in key aspects of our day-to-day work, develop new skills and gain an industry leading qualification while you earn. We look for passion and integrity as well as ambition and aptitude in our apprentices.

You don't need to have previous work experience, but you will need to have 5 GCSEs (A to C) and 2 A-Levels. With a [variety of programmes](#) to choose from, there's no telling where your talent can take you.

Applications for our September 2023 intake will **open in Spring 2023**.

[Quantity Surveying Degree Apprentice - North\(Opens in a new window\)](#)

Our Opportunity. Murphy are recruiting Apprentice Quantity Surveyors with strong aspirations to build a career in the civil engineering & construction sector. We are looking for highly driven individuals with keen attention to detail and willingness to learn & develop in a fast-paced environment. Working in this role, you will learn how to manage all costs relating to construction and civil engineering projects, from the initial calculations to the final figures.
