

Geography Year Plan 2020-21

Week	W/B	Year 7	Year 8	Year 9	Year 10	Year 11	Subject Assessment	Whole School Assessment
1	11/08/2020	Atlas Skills: Continents of the World - What is Geography?	Natural Hazards: Tectonics and Earthquakes - What is a Natural Hazard?	Climate Change, Resources, Extreme Weather and Flood Management: What is Climate Change?	River Landscapes in the UK	Urban Issues and Challenges: Liverpool	7 Time to Shine - Where Would I Like to Visit?	
2	07/09/2020	Atlas Skills: Continents of the World - What is Geography?	Natural Hazards: Tectonics and Earthquakes - Factors affecting Hazard Risk	Climate Change, Resources, Extreme Weather and Flood Management: Fracking on the Tides Coast	River Landscapes in the UK	Urban Issues and Challenges: Liverpool	8 Time to Shine - Destructive Margin	
3	14/09/2020	Atlas Skills: Continents of the World - Longitude and Latitude	Natural Hazards: Tectonics and Earthquakes - The Structure of the Earth	Climate Change, Resources, Extreme Weather and Flood Management: UK Climate Change Effects	River Landscapes in the UK	Urban Issues and Challenges: Liverpool	9 Time to Shine - Adapting to Climate Change in the Maldives	
4	21/09/2020	Atlas Skills: Continents of the World - Mapping the World	Natural Hazards: Tectonics and Earthquakes - Global Distribution of Tectonic Hazards	Climate Change, Resources, Extreme Weather and Flood Management: World Climate Change Effects	River Landscapes in the UK	Urban Issues and Challenges: Liverpool	10 River Landscapes Assessment	
5	28/09/2020	Atlas Skills: Continents of the World - Mapping Europe	Natural Hazards: Tectonics and Earthquakes - Destructive, Constructive and Conservative Margins	Climate Change, Resources, Extreme Weather and Flood Management: Time to Shine - Adapting to Climate Change in the Maldives	River Landscapes in the UK	The Changing Economic World	11 Urban Issues and Challenges: Liverpool	
6	05/10/2020	Atlas Skills: Continents of the World - Mapping South America	Natural Hazards: Tectonics and Earthquakes - Time to Shine - Destructive Margins	Climate Change, Resources, Extreme Weather and Flood Management: Time to Shine - Adapting to Climate Change in the Maldives	River Landscapes in the UK	The Changing Economic World		
7	12/10/2020	Atlas Skills: Continents of the World - Time to Shine - Where Would I Like to Visit?	Natural Hazards: Tectonics and Earthquakes - Time to Shine - Destructive Margins	Climate Change, Resources, Extreme Weather and Flood Management: Mitigating Climate Change - Walney Offshore Windfarm	River Landscapes in the UK	The Changing Economic World		
8	02/11/2020	Atlas Skills: Continents of the World - Mapping Africa	Natural Hazards: Tectonics and Earthquakes - What is an Earthquake?	Climate Change, Resources, Extreme Weather and Flood Management: What can We Do About Climate Change?	Coastal Landscapes in the UK	The Changing Economic World	7 Time to Shine - Atlas Skills Assessment	
9	09/11/2020	Atlas Skills: Continents of the World - Mapping Asia	Natural Hazards: Tectonics and Earthquakes - Earthquake Planning, Preparation and Protection.	Climate Change, Resources, Extreme Weather and Flood Management: Extreme Weather in the UK	Coastal Landscapes in the UK	The Changing Economic World	8 Time to Shine - Haiti Earthquake	
10	16/11/2020	Atlas Skills: Continents of the World - Mapping Australasia	Natural Hazards: Tectonics and Earthquakes - The Haiti Earthquake	Climate Change, Resources, Extreme Weather and Flood Management: The Glorifying Islands	Coastal Landscapes in the UK	The Changing Economic World	9 Time to Shine - Flood Management	
11	23/11/2020	Atlas Skills: Continents of the World - Mapping the Middle East	Natural Hazards: Tectonics and Earthquakes - The Haiti Earthquake	Climate Change, Resources, Extreme Weather and Flood Management: Time to Shine - Flood Management	Coastal Landscapes in the UK	The Changing Economic World	10 Coastal Landscapes Assessment	
12	30/11/2020	Atlas Skills: Continents of the World - Time to Shine Atlas Skills Assessment	Natural Hazards: Tectonics and Earthquakes - Time to Shine - The Haiti Earthquake	Climate Change, Resources, Extreme Weather and Flood Management: Time to Shine - Flood Management	Coastal Landscapes in the UK	The Changing Economic World	11 Nigeria Economy Assessment	
13	07/12/2020	Atlas Skills: Continents of the World - Time to Shine Atlas Skills Assessment and Gap Fill	Investigating Africa: Deserts and Desertification - Locating Deserts	Development Geography in Africa: What is the Development Gap?	Coastal Landscapes in the UK	The Changing Economic World		
14	14/12/2020	Ordnance Survey map Skills and GIS - Direction	Investigating Africa: Deserts and Desertification - Challenges in Deserts	Development Geography in Africa: Recognising the Development Gap	Coastal Landscapes in the UK	The Changing Economic World		
15	21/12/2020	Ordnance Survey map Skills and GIS - Scale	Investigating Africa: Deserts and Desertification - Desert Adaptations	Development Geography in Africa: Measuring Development	The Living World (Rainforests and Hot Deserts)	The Changing Economic World	7 Time to Shine - Describing a Route	
16	04/01/2021	Ordnance Survey map Skills and GIS - Map Symbols	Investigating Africa: Deserts and Desertification - Making Money in the Desert	Development Geography in Africa: Using Geography to Measure Development	The Living World (Rainforests and Hot Deserts)	The Changing Economic World	8 Time to Shine - Managing Desertification	
17	18/01/2021	Ordnance Survey map Skills and GIS - Grid References	Investigating Africa: Deserts and Desertification - Causes of Desertification	Development Geography in Africa: Causes of the Development Gap	The Living World (Rainforests and Hot Deserts)	The Changing Economic World	9 Time to Shine - Water Inequality	
18	25/01/2021	Ordnance Survey map Skills and GIS - Showing Features	Investigating Africa: Deserts and Desertification - Time to Shine - Managing Desertification	Development Geography in Africa: Global Food Inequality	The Living World (Rainforests and Hot Deserts)	Resource Management	10 Rainforests and Hot Deserts Assessment	
19	01/02/2021	Ordnance Survey map Skills and GIS - Time to Shine Describing a Route	Investigating Africa: Deserts and Desertification - Time to Shine - Managing Desertification	Development Geography in Africa: Time to Shine - Global Water Inequality	The Living World (Rainforests and Hot Deserts)	Resource Management	11 UK Economy / Resource Management	
20	08/02/2021	Ordnance Survey map Skills and GIS - Using GIS	Investigating South America: Tropical Rainforests - Location	Development Geography in Africa: Time to Shine - Global Water Inequality	The Living World (Rainforests and Hot Deserts)	Resource Management		
21	22/02/2021	Ordnance Survey map Skills and GIS - Using GIS	Investigating South America: Tropical Rainforests - Climate	Development Geography in Africa: Closing the Development Gap: Aid and Appropriate Technology	The Living World (Rainforests and Hot Deserts)	GCSE Revision	7 Time to Shine - Fieldwork	
22	01/03/2021	Ordnance Survey map Skills and GIS - Environmental Quality Fieldwork	Investigating South America: Tropical Rainforests - Plans	Development Geography in Africa: Closing the Development Gap: Trade	The Living World (Rainforests and Hot Deserts)	GCSE Revision	8 Time to Shine - Rainforest Animals	
23	08/03/2021	Ordnance Survey map Skills and GIS - Environmental Quality Fieldwork	Investigating South America: Tropical Rainforests - Tribes	Development Geography in Africa: Closing the Development Gap: Tourism and Industry	The Living World (Rainforests and Hot Deserts)	GCSE Revision	9 Time to Shine - Closing the Development Gap	
24	15/03/2021	Ordnance Survey map Skills and GIS - time to Shine Fieldwork Write-up	Investigating South America: Tropical Rainforests - Time to Shine - Animal Adaptations	Development Geography in Africa: Time to Shine - Closing the Development Gap in the Democratic Republic of Congo	The Living World (Rainforests and Hot Deserts)	GCSE Revision	10 Rainforests and Hot Deserts Assessment	
25	22/03/2021	Ordnance Survey map Skills and GIS - time to Shine Fieldwork Write-up	Investigating South America: Tropical Rainforests - Time to Shine - Animal Adaptations	Development Geography in Africa: Time to Shine - Closing the Development Gap in the Democratic Republic of Congo	The Living World (Rainforests and Hot Deserts)	GCSE Revision	11 n/a	
26	12/04/2021	Ordnance Survey map Skills and GIS - Recap and gap fill	Investigating South America: Tropical Rainforests - Deforestation	Urbanisation in Asia: What is Urbanisation?	Urban Issues and Challenges: Rio de Janeiro	GCSE Revision	7 Time to Shine - Coastal Landforms	
27	19/04/2021	Ordnance Survey map Skills and GIS - Recap and gap fill	Investigating South America: Tropical Rainforests - Deforestation	Urbanisation in Asia: World Urban Growth	Urban Issues and Challenges: Rio de Janeiro	GCSE Revision	8 Time to Shine - Desertification	
28	26/04/2021	Physical Processes and Landforms in the UK - Mapping the UK's Physical Features	Investigating South America: Tropical Rainforests - Time to Shine - Ecotone Project	Urbanisation in Asia: Megacities	Urban Issues and Challenges: Rio de Janeiro	GCSE Revision	9 Time to Shine - Describing Lagoons	
29	03/05/2021	Physical Processes and Landforms in the UK - Physical Processes	Investigating South America: Tropical Rainforests - Time to Shine - Ecotone Project	Urbanisation in Asia: Welcome to Mumbai!	Urban Issues and Challenges: Rio de Janeiro	GCSE Revision	10 Rio Assessment	
30	10/05/2021	Physical Processes and Landforms in the UK - Transportational Processes	Investigating Russia: A Polar Environment - Mapping Russia	Urbanisation in Asia: Welcome to Mumbai: Dharavi Slums Characteristics	Urban Issues and Challenges: Rio de Janeiro	GCSE Revision	11 n/a	
31	17/05/2021	Physical Processes and Landforms in the UK - Depositional Processes	Investigating Russia: A Polar Environment - Industrial Development	Urbanisation in Asia: Welcome to Mumbai: Dharavi Slums The Informal Sector	Urban Issues and Challenges: Rio de Janeiro	GCSE Revision		
32	24/05/2021	Physical Processes and Landforms in the UK - Weathering	Investigating Russia: A Polar Environment - Industrial Development	Urbanisation in Asia: Welcome to Mumbai: Dharavi Slums Time to Shine - Urban Planning	Urban Issues and Challenges: Rio de Janeiro	GCSE Revision		
33	31/05/2021	Physical Processes and Landforms in the UK - Coasts Headlands and Bays	Investigating Russia: A Polar Environment - Time to Shine - Permafrost	Urbanisation in Asia: Welcome to Mumbai: Dharavi Slums Time to Shine - Urban Planning	Urban Issues and Challenges: Liverpool	n/a	7 Time to Shine - Coastal landforms	
34	14/06/2021	Physical Processes and Landforms in the UK - Coasts Caves, Arches and Stacks	Investigating Russia: A Polar Environment - Permafrost	Urbanisation in Asia: UK Urbanisation	Urban Issues and Challenges: Liverpool		8 Time to Shine - Norfolk Pollution	
35	21/06/2021	Physical Processes and Landforms in the UK - Time to Shine - Coastal Landforms	Investigating Russia: A Polar Environment - Animal Adaptations	Urbanisation in Asia: Issues on the UK's Rural Urban Fringe	Urban Issues and Challenges: Liverpool		9 Time to Shine - Urban Planning in Dharavi	
36	28/06/2021	Physical Processes and Landforms in the UK - Rivers Waterfalls and Gorges	The World of Work: Job sectors in the UK	Urbanisation in Asia: Problems in High Income Cities	Urban Issues and Challenges: Liverpool		10 Liverpool Assessment	
37	05/07/2021	Physical Processes and Landforms in the UK - Rivers Headwaters and Outflow Lakes	The World of Work: Primary Sector Employment in the UK	Urbanisation in Asia: What is a Sustainable City?	Urban Issues and Challenges: Liverpool		11 n/a	
38	12/07/2021	Physical Processes and Landforms in the UK - Glaciation - Formation and Landforms	The World of Work: Secondary Sector Employment in the UK	Urbanisation in Asia: What is a Sustainable City: Masdar, UAE	Urban Issues and Challenges: Liverpool			
39	19/07/2021	Physical Processes and Landforms in the UK - Glaciation - Formation and Landforms	The World of Work: Tertiary and Quaternary Sector Employment in the UK	Urbanisation in Asia: Designing a Sustainable City for the UAE	Urban Issues and Challenges: Liverpool			
40	26/07/2021	Physical Processes and Landforms in the UK - Time to Shine - Glacial Landscapes	The World of Work: Industrial Location Enquiry	Urbanisation in Asia: Designing a Sustainable City for the UAE	Urban Issues and Challenges: Liverpool
