8X1 Do Dragon's Den!

Miss Taylor invited other members of staff to observe her y8 students, who were assigned the tricky task of delivering a pitch on a product they have been working on in English. This was for the 'writing in the workplace' scheme assessment. Where students have looked at various ways we would transfer our English skills to a thriving work environment!

From this pitch Miss Taylor and the Dragons decided on six winners:

JJ D, Laurynn D C, Daniel J-S, Tyler J R, Hani A, and Phoebe B.

Dystopian Fiction:

This half term Y9 have been studying the world of Dystopia! This is a scheme of work that allows students to understand why writers can use their platforms to send political messages and ideas to their readers. To warn, advise and encourage different beliefs.

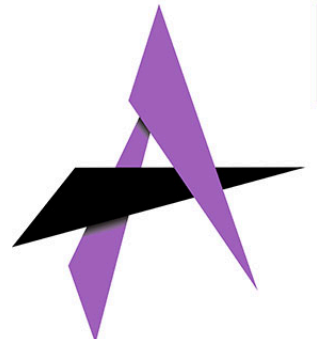

A novel in focus this half term has been Animal Farm, students have learnt about how this is an allegory for the Russian revolution. This has allowed students to explore allegorical fiction and allusions.

Miss England's 9Y2 class had a creative competition to see if they could show their understanding of the plot and the allegorical references. They did a fantastic job and multiple winners were chosen by Miss England and Mrs Morgan.

The best we can be

English At Aspire!

WE ARE SO PROUD OF YOU YEAR 11!

We just want to say a huge well done to our Y11 students for their hard work and dedication in the BOOST sessions we have ran this half term.

We also had a fantastic turn out at Easter school with many year 11 students keen to learn and revise for their GCSEs.

The dedication by the students this year has been outstanding. We just want to say a huge well done for all of your effort and next half term you will only have 1 exam to go!

We cannot believe how quickly this years exams have come around, but we know that the students hard work will be all worth it on results day.

After school Clubs:

Creative Writing club - C2
Thursdays 3-4.

Debate club- C11 Thursdays 3-4.

Proud of you!
