

English At Aspire!

Welcome back!

Well done to all students for such a positive and settled start into school this new academic year. We have noticed across the board how well you have all worked in your new classes this year already. We want to say a huge thank you to you all for the hard work you have put in after your summer break. Let's keep this positivity up for the next half term!

Open Evening 2024!

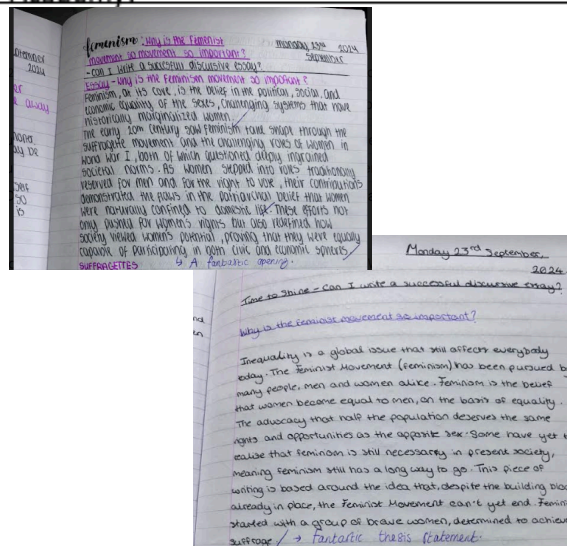

This year the English Department celebrated the storytelling and world of Greek mythology. Students were given the opportunity to create their own Greek gods and a description to match.

We would also like to say a huge thank you to the students that supported our workshop and showed the y6 students all the fantastic things we do here at Aspire Academy!

Year 9 Thesis Statements:

This half term Y9 have created their own discursive essays on the feminist movement. 9X1 students created their own thesis statements and the students created some amazing pieces of work. Well done to Year 9!
