Why do you think that knowing this is important for history?

### What are BC, BCE, AD and CE?

Historians often talk about years as being BC or BCE and AD or CE. This is another way of dividing time. It makes it easier when talking about large areas of time.

#### BC and BCE

BC means Before Christ and refers to the time BEFORE Jesus was alive. Many historians now us BCE that means Before Common Era as not everyone believe in Jesus. The Common Era is the years 0—2020 so BEFORE common era is earlier than the year 0.

#### AD and CE

AD stands for Ado Domini and refers to the time after Christ. CE means common era which is any time from the year 0.

# What are BC, BCE, AD and CE?

Using the information from the previous page, add in the missing words.  BC and BCE BC means B C and refers to the time BEFORE J was alive. Many historians now us BCE that means B C E as not everyone believe in Jesus. The Common Era is the y 0—2020 so BEFORE common era is earlier than the year 0.  AD and CE AD stands for A D and refers to the time after C CE means common era which is any t from the year 0.

# Chronology

Chronology is a long word, which means putting dates, times and events in order. Look at the images below and put them into Chronological order by writing the letter below the picture into the boxes. (Clue: it spells a word!!)

How did you work out the correct order?

Why do you think it is important to put historical events in order?

# Chronology

Cut out these pictures and glue them into chronological order:

Battle of Hastings 1066

Romans invade Britain 43 AD

Great Fire of London 1666

Queen Victoria is born 1819

King Charles was executed 1649

London hosts the Olympic Games 2012

Elizabeth II becomes Queen 1952

Henry VIII becomes king 1509

London is bombed 2005

Terrorist Attacks in New York 2001

Industrial Revelation begins 1750

The English public votes to leave the European Union 2016

# Chronology

Stick you picture in chronological order on this page!!

# **Timelines**

A time line is a way to put information in chronological order. It makes it very clear where event happen in time. Add the information to the following time line about Bob.

	His Sister, Brenda was born in 2010.		He went on holiday to Florida in 2013
He broke his leg in 2011.	2009.	first football	He won his first football champion- ship in 2016.

Draw your own timeline with 8 events:

#### Evidence

As Historians we have to look at evidence, from this we have to try to deduce, or work out, information. Look at the evidence below and answer the questions about this person:

### Types of Evidence

Historians are like detectives because they use SOURCES and clues left by people of the past. Evidence can be discovered in one of 3 different ways.

Written Physical Spoken

Label the following images with which of these three categories it fits in:

Historians use different terms for different types of evidence.

These are w \_ \_ \_ \_ evidence for things like \_\_\_\_\_, s \_ \_ \_ evidence for things such as \_ \_ \_ and p \_ \_ \_ \_ evidence for

#### **Primary and Secondary Sources**

In History we get our evidence from two different types of sources:

Primary sources were made or written at the time an event happened.

Secondary sources are made after the time or by someone who wasn't there.

#### Categorising Historical Events

Historians study different types of events through time. Historians group these events into topics or themes. This makes it easier for people who are interested in history to identify historical changes and study the affect on people in the past and through time.

Match the category to it's definition.

Political	How people earn money and spend their money.
Economic	To do with developments in technology and medicine
Social	To do with war, power, government and rights.
Technology	People's everyday life at work and at home.
