## DIRECTORS' REPORT

### FOR THE YEAR ENDED 31 AUGUST 2025

---

The Directors present their annual report together with the financial statements and auditor's report of the charitable for the year 1 September 2024 to 31 August 2025.

The annual report serves the purposes of both a trustees' report, and a directors' report under company law.

The Trust currently operates sixteen primary and one secondary academies across Blackpool, Fylde and Preston. Its academies have combined capacity of 4,340 and students on roll of 4,239 in the school census of October 2024.

#### **Structure, governance and management**

##### **Constitution**

The Blessed Edward Bamber Catholic Multi Academy Trust ("The Trust") is a company limited by guarantee and an exempt charity. The charitable company's memorandum and articles of association are the primary governing documents of the Trust.

The charitable company is known as The Blessed Edward Bamber Catholic Multi Academy Trust.

The Directors are the trustees of The Blessed Edward Bamber Catholic Multi Academy Trust and are also the directors of the charitable company for the purposes of company law. Details of the Directors who served during the year, and to the date these financial statements are approved, are included in the Reference and Administrative Details on page 1.

##### **Members' liability**

Each member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

##### **Directors' indemnities**

The trust has purchased indemnity insurance to protect Directors and officers from claims arising in connection with academy business. The Risk Protection Agency (RPA) cover is Unlimited in indemnity.

##### **Method of recruitment and appointment or election of Directors**

The Directors are appointed by the following:

Foundation Directors	Appointed by the Diocesan Bishop
Other Directors	Appointed by majority decision of the Directors

##### **Policies and procedures adopted for the induction and training of Directors**

All Directors are provided with copies of the Articles of Association, the Governors Handbook, the Strategic Development Plan and other information on the working practices of the Board on appointment. Induction training is provided by a National Leader of Governance and ongoing training is provided through an external Clerking Service provided by the Local Authority.

#### **Organisational structure**

The Trust was formed on 1st September 2014 from Christ the King Catholic Primary School, St Cuthbert's Catholic Primary School and St Mary's Catholic College. As part of a coherent vision to act together in a deep partnership, the trust was formed with a single Board, a Chief Executive Officer and no local governing bodies. Two of the academies were convertors and the other a sponsored academy.

From 1 January 2022, and in line with Diocese future trust growth plans, 2 local governing bodies were formed – one with shared governors for Christ the King and St. Cuthbert's Catholic Academies with the other being for St. Mary's Catholic Academy.

On 1st September 2022 St. Teresa's Catholic Primary School, St. Kentigern's Catholic Primary School, St. Wulstan's & St. Edmund's Catholic Primary School and St. Mary's Catholic Primary School (Great Eccleston) all converted, joining the Trust. On the 1st January 2023 Sacred Heart Primary School also converted into the Trust.

The second wave of new academies joined the Trust in the academic year 2023/24. On 1st April 2024, St. William's Catholic Primary School and Holy Family Catholic School (Blackpool) converted followed on the 1st June 2024 by St. John Vianney Catholic Primary School and Our Lady of the Assumption Catholic Primary.

The third wave of new academies joined the Trust in the academic year 2024/25. On 1st November 2024, Holy Family Catholic Primary School (Warton), St. Joseph's Catholic Primary and The Willows Catholic Primary converted followed on the 1st January 2025 by St. Bernadette's Catholic Primary School and St. Mary's Catholic Primary School (Fleetwood).

All the new academies formed Local Governing Bodies on conversion.

The Trust is governed by its Board of Directors, whose members are Directors of the charitable company for the purposes of the Companies Act 2006 and Trustees for the purposes of charity legislation.

The organisational structure of the Trust consists of 5 levels: the Board of Directors, the Chief Executive Officer, the Local Governing Body, the Headteachers and the Senior Leadership Team.

The Board of Directors is responsible for setting general policies, adopting an annual plan and budget, monitoring performance using results and making major decisions about the direction of the Trust, capital expenditure and, appointing senior staff. Certain elements of these responsibilities are delegated to the following sub committees who make recommendations to the Board of Directors:

- Finance, Staffing & Premises Committee
- Audit & Risk Committee
- Quality of Education
- Pay Committee

The Chief Executive Officer is also the Accounting Officer and has responsibility for managing the academies at an executive level implementing the policies laid down by the Directors and reporting back to them with the support of the Central Leadership Team and the Headteachers in the individual academies

#### **Arrangements for setting pay and remuneration of key management personnel**

The Directors consider the Board of Directors, who are the Trust's Trustees, the Chief Executive Officer, the Headteachers and the Chief Finance Officer comprise the key management personnel of the company in charge of directing and controlling, running and operating the Trust on a day to day basis. Details of Directors' expenses and related party transactions are disclosed in note 11 to the financial statements. The pay of the Chief Executive Officer, Headteachers and the Chief Finance Officer is reviewed annually and normally increased in line with the recommendations of the School Teachers' Review Body and the National Joint Council for Local Government Services respectively.

#### Engagement with employees

As a Catholic Trust the Board respects the dignity of all people. It ensures equality of opportunity for all employees including those who are disabled during appointment, training and development and promotion processes making reasonable adjustments as required.

To enhance consultation with employees, the Trust works closely with a Joint Negotiating Committee with all recognised trade unions. The CEO is responsible for convening this meeting termly and agreeing agenda items. This builds on well-established processes to provide information to and consult with employees on matters affecting them.

#### Related parties and other connected charities and organisations

The Trust works in partnership with the Lancaster Diocese, the Local Authorities, the Catholic Teaching Alliance (North) and Fylde Coast Teaching School Alliance, clusters of schools who are beacons of excellent practice. It also has links with the family of Blackpool and Lancaster Diocesan Catholic schools and its sister Muti Academy Trust's - Mater Christi and Mater Ecclesiae.

#### Objectives and activities

##### Objects and aims

The principal object and activity of the Trust as set out in its governing document is that the Company's objects ("the Objects") are specifically restricted to the advancement of the Catholic religion in the Diocese by such means as the Diocesan Bishop may think fit and proper by, but without prejudice to the generality of the foregoing, the establishment, maintaining, carrying on, managing and developing of Catholic schools in the United Kingdom conducted in accordance with the principles, and subject to the regulations and discipline of the Catholic Church.

#### **Objectives, strategies and activities**

The Blessed Edward Bamber Catholic Multi Academy Trust's mission is for all Catholic schools to work together to:

- Develop excellence - By providing the best possible opportunities for every child through consistently delivering a high-quality education;
- Build strong communities - By providing a support and service to our families, parishes and wider communities, with an unrelenting focus on those most disadvantaged and vulnerable in our society;
- With Gospel values at the heart of all we do - We will invest in the ongoing professional training and development for the whole Trust community, with Christ at the centre.

The core principles of the Trust are to educate the whole person, aiming for excellence and working together for the Common Good. Through collective responsibility, united in our Catholic faith, the Trust strives to enable each school to thrive spiritually, academically and financially so that all of the children and young people can 'belong, engage and become' – and reach their full potential by realising their God-given talents

The main objectives for the year were:

- Further develop a trust-wide understanding of ethos for all stakeholders
- Improve outcomes and opportunities for pupils in all areas (especially disadvantaged pupils)
- Develop and implement a broad and ambitious curriculum from EYFS to post-16
- Further develop and implement well-being strategies for staff and pupils across the Trust
- Continue to develop the education of the whole child (John 10:10)
- Grow and develop the Trust in line with the Diocesan strategy.

The Trust works in partnership as one family of schools, whilst maintaining and celebrating the uniqueness of each individual school and the community it serves. We are a values-driven Trust. Our core values of Trust, Respect, Faith, Hope and Service are our hallmarks. These values underpin all of our relationships; between staff, pupils, families, our wider parishes and local communities.

#### **Public benefit**

The Directors are aware of the Charity Commission Guidance on providing public benefit and have had due regard to this in exercising their duties during the year. The main public benefit delivered by the Trust is the provision of a high quality of education to its students. This has been evidenced through the results achieved and feedback from external assessments.

#### **Strategic report**

##### **Achievements and performance**

As of 31 August 2025, the Trust comprises seventeen schools, which is an increase from the twelve that were part of the Trust 12 months ago. The 17 schools are made up of 16 primary schools and 1 secondary school, including a 6th Form. This represents a significant increase in the size of the Trust.

In 2024-2025, five primary schools joined the Trust. Holy Family Catholic Primary School, Warton, St. Joseph's Catholic Primary School and The Willows Catholic Primary School joined the Trust in November 2024. St. Bernadette's Catholic Primary School, Blackpool and St. Mary's Catholic Primary School, Fleetwood joined the Trust in January 2025.

Relating to achievements and performance, Trustees, the Chief Executive Officer and the Local Governing Boards undertake a review of performance against assessment targets for each academy at their termly meetings and this is reported to the Trust Board Quality of Education Committee alongside regular summaries of the financial status of each academy.

In addition to this, key performance indicators relate to the achievements of the Trust strategic aims and the achievements of the individual pupils at the academies. The Board considers that the following are key performance indicators for the Trust:

- Pupil numbers (leading directly to the Education and Skills Funding Agency (ESFA) funding levels for each school);
- General financial stability;
- Staff costs as a percentage of total costs;
- CSI and Ofsted inspection results;
- Capital expenditure;
- Pupil attendance;
- Outcomes for pupils;
- Annual Trust evaluation of school effectiveness.

The Board receives updates against the above indicators through the various reporting mechanisms during the year and carefully monitors each school's progress in these Key Performance Indicator Dashboard.

In the year 2024-2025, four schools had Ofsted inspections. Three schools retained their 'Good' ratings and one school retained their 'Require Improvement' rating. Two schools underwent CSI (Section 48) Diocesan Inspections. Both schools were rated as 'Good' overall, with some outstanding features.

Attendance is strong in all schools in the Trust.

#### **Trust Academies**

##### Christ the King Catholic Primary Academy, Blackpool (Blackpool LA area):

Christ the King was one of the first three schools to join BEBCMAT, in 2014, at a time when another school in the town needed support. Christ the King was judged by Ofsted as 'good' in 2022 and received an 'outstanding' S48 judgement in 2019. The school is a one-form entry school and caters for pupils from ages 3 to 11 years. The school is situated in the Grange Park area of Blackpool, where the percentage of pupils eligible for free school meals is roughly twice the national average. CTK is a popular and over-subscribed school. The outcomes for pupils in 2024-2025 show that the proportion of children in Early Years achieving GLD (Good level of development) is below national, reflecting the low baseline with the majority of children coming into Reception year below age-related expectations. The proportion of pupils achieving the expected standard in the year 1 phonics screening check is also below national. In KS2, reading, writing and maths are below national.

#### Holy Family Catholic Primary School, Blackpool (Blackpool LA area):

The school is a one-form entry school and caters for pupils from ages 4 to 11 years. The school performs well in music and was the first school in the Diocese of Lancaster to achieve the CAFOD 'Live Simply' Award. The school is popular and typically full in all year groups. The outcomes for pupils in 2024-2025 show that at the end of Reception year, the proportion of pupils achieving GLD is well above the national average. The proportion of pupils meeting the national phonics check at the end of Year 1 are also well above national and pupils achieved exceptionally well in this area with 100% achieving the standard. At KS2, reading, writing and maths are again all above the national average.

#### Holy Family Catholic Primary School, Warton (Lancashire LA area):

Holy Family joined the Trust in November 2025. It was judged a good school by Ofsted in February 2023 and good in its CSI inspection in March 2023. The school is a smaller than average primary school with a net capacity of 180. The outcomes for pupils in 2024-2025 show that at the end of Reception year, the proportion of pupils achieving GLD is well above the national average with 95% achieving good levels of development. The proportion of pupils meeting the national phonics check at the end of Year 1 is below national. At KS2, reading, writing and maths are again all above the national average.

#### Our Lady of the Assumption Catholic Primary School, Blackpool (Blackpool LA area):

Our Lady of the Assumption joined the Trust in June 2024. It was judged a 'good' school by Ofsted in April 2023. It received a CSI Diocesan inspection in June 2024 and achieved good in all areas. The school is a one-form entry school with pupils aged 4-11 years. The outcomes for pupils in 2024-2025 show at the end of Reception year, the proportion of pupils achieving GLD is well above the national average. In the Year one phonics check, pupils achieved just below the national average. At KS2, writing and maths are below the national average but pupils achieved above the national average in reading. The school has particular strength in its work as an Associate School for the Royal Shakespeare Company. The school is a lead Associate School for the Blackpool area, working with other local schools to improve literacy through active Shakespeare-based learning.

#### Sacred Heart Catholic Primary School, Thornton (Lancashire LA area):

Sacred Heart joined the Trust in January 2023 as a 'good' school, Ofsted February, 2020. The school was judged as Good in their latest CSI inspection, November 2019. The school is a one-form entry primary school with pupils aged 4-11 years. The school is known for its excellence in sports and the pupils achieve many regional and national awards for sports. The outcomes for pupils in 2024-2025 show that children in Reception achieve in line compared to children nationally in the proportion achieving GLD. In Phonics, in 2024, children in Year 1 performed better than their peers in the Phonics check. Outcomes at KS2 were stronger than national for writing and just below national in reading and maths.

#### St. Bernadette's Catholic Primary School, Blackpool (Blackpool LA area):

St. Bernadette's joined the Trust in January 2025 as a 'Good' school, Ofsted. The school was rated 'Outstanding' in its latest S48 Diocesan inspection in June 2022. The school is a one-form entry primary school which caters for pupils from ages 4 to 11 years. The outcomes for pupils in 2024-2025 show that at the end of Reception year, the proportion of pupils achieving GLD is well above the national average and pupils in Year 1 achieve just below the national in the Phonics check. Outcomes at KS2, reading, writing and maths are all below the national average.

#### St. Cuthbert's Catholic Academy, Blackpool (Blackpool LA area):

St. Cuthbert's was one of the first three schools to join BEBCMAT, in 2014, as it needed support when it was judged inadequate by Ofsted and joined the Trust as a sponsor-led academy. St. Cuthbert's most recent inspection in March 2023 retained its 'good' grade from 2017 and received a 'Good' S48 judgement in 2025. The school is a one-form entry school and caters for pupils from ages 2 to 11 years.

### DIRECTORS' REPORT (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2025

---

The school is situated in the South Shore area of Blackpool, where the percentage of pupils eligible for free school meals is over twice the national average and the mobility of pupils is high. In Early Years, outcomes for children achieving a good level of development (GLD) is below the national average, reflecting the low baseline with the majority of children coming into Reception year below age-related expectations. Pupils in Year 1 do not achieve as highly as national in Phonics. At KS2, pupils are below the national in reading but are above national in mathematics and writing.

#### St. John Vianney Catholic Primary School, Blackpool (Blackpool LA area):

St. John Vianney joined the Trust in June 2024 school. St. John Vianney's is a very popular and over-subscribed two-form entry primary school with a Nursery. SJV was judged as a 'Good' school by Ofsted in November 2023 and received a CSI (S48) Diocesan inspection in June 2024 and was judged 'Outstanding' in all areas. St. John Vianney is also an English Hub and has great expertise in Phonics which it shares with other schools, locally and nationally. This year, the school has developed two enhanced provisions for children with special educational needs and/or disabilities. Children in EYFS achieve above the national for GLD and perform exceptionally well in phonics in year 1 (92%). At KS2, pupils achieve above the national average in reading, writing and mathematics.

#### St. Joseph's Catholic Primary School, Wesham (Lancashire LA area):

St. Joseph's joined the Trust in November 2024. The school is currently rated Good by Ofsted and in its latest Diocesan inspection. St. Joseph's is a smaller-than-average sized primary school and operates mixed classes with an overall capacity of 90 pupils. This year, St. Joseph's has increased its age range and has added a nursery class and so now caters for 3-11 year olds. The outcomes for pupils in 2024-2025 are not significant due to small numbers but show significant strength in reading.

#### St. Kentigern's Catholic Primary School, Blackpool (Blackpool LA area):

St. Kentigern's joined the Trust in September 2022 and retained its 'Good' rating by Ofsted in 2018. The school was rated 'Outstanding' in its latest S48 Diocesan inspection in 2021. The school is a popular, over-subscribed one-form entry primary school which caters for pupils from ages 4 to 11 years. The school is significantly above average for the proportion of pupils who speak English as an additional language (EAL). The outcomes for pupils in 2024-2025 show that at the end of Reception year, the proportion of pupils achieving GLD is well above the national average and pupils in Year 1 achieved exceptionally well in the Phonics check with 93% of pupils achieving the standard. At KS2, reading is above the national average with writing and maths outcomes being below the national.

#### St. Mary's Catholic Academy, Blackpool (Blackpool LA area):

St. Mary's Catholic Academy was one of the first three schools to join BEBCMAT, in 2014, at a time when another school in the town needed support. St. Mary's was judged by Ofsted as 'good' in 2022 and received an 'Good' S48 judgement in October 2023. The school has a PAN of 210 and caters for pupils from ages 11 to 18 years. The school is situated in the Grange Park area of Blackpool and the percentage of pupils eligible for free school meals is significantly above the national average. St. Mary's is a popular and over-subscribed school with a small, high-achieving 6th Form. The outcomes for students in 2024-2025 show a slight increase in attainment at GCSE, with 53.5% of students achieving 4+ in English and Maths. At A-level, 97% of students achieved A\*-E grades with 100% achieving passes and above in vocational courses, and 69% of grades being at Distinction or Distinction \* levels.

#### St. Mary's Catholic Primary School, Fleetwood (Lancashire LA area):

St. Mary's is a smaller-than-average primary school with a PAN of 25 which caters for pupils from ages 4 to 11 years. The school joined the Trust in January 2025 as a 'Good' school but with a letter citing that if the school was to be inspected under a full section 5, it may not achieve its 'Good' grading, Ofsted. The school was rated 'Good' in its latest S48 Diocesan inspection in 2023. St. Mary's has the highest proportion of pupils in receipt of Free School Meals in the Trust at 55%. This is reflected in the attainment scores which are well below national in Early Years and Phonics at the end of year 1. The pupils typically achieve above national averages in reading, writing and mathematics at KS2, demonstrating the positive journey of pupils across the school. For pupils who on the whole join the school well below age-related expectations, the longer they are in the school, the better the pupils do. Outcomes in 2024-2025 demonstrate this, with standards in reading being particularly strong in KS2.

#### St. Mary's Catholic Primary School, Great Eccleston (Lancashire LA area):

St. Mary's is a small primary school which caters for pupils from ages 4 to 11 years in the village of Great Eccleston. The school joined the Trust in September 2022 as a 'Good' school, Ofsted 2017. The school was rated 'Good' in its latest S48 Diocesan inspection in 2023. The school is above national average for pupils in receipt of pupil premium and for the proportion of pupils with SEND support. The school benefitted from an additional classroom this year (purpose-built new portacabin) to increase classrooms. The classes are mixed age-range and PAN for each year group is 8 pupils. The outcomes for pupils in 2024-2025 are not significant due to small numbers but show strengths in mathematics.

#### St. Teresa's Catholic Primary School, Thornton-Cleveleys (Blackpool LA area):

St. Teresa's is a one-form entry primary school with a Nursery class which caters for pupils from 3-11 years old in the north of Blackpool. The school joined the Trust in September 2022 as a 'Good' school (Ofsted, 2017). The school achieved 'Good' in all areas this year in its denominational inspection in May 2024 and retained its Good Ofsted grading in 2025. The school has higher than national average children who are SEND support. Outcomes show that pupils in EYFS get off to a good start in GLD and achievement in year 1 phonics is very strong. At KS2, reading, writing and maths are below the national average.

#### St. William's Catholic Primary School, Pilling (Lancashire LA area):

St. William's is a small primary school which caters for pupils from ages 2 to 11 years in the village of Pilling. The school has a growing Nursery provision. The school joined the Trust in April 2024 as a 'Good' school, Ofsted 2023. The school was rated 'Good' in its latest S48 Diocesan inspection in June 2022. The school is above national average for pupils in receipt of pupil premium and for the proportion of pupils with SEND EHCPs and SEND support. The classes are mixed age-range and PAN for each year group is 11 pupils. The outcomes for pupils in 2024-2025 are not significant due to small numbers.

#### St. Wulstan's & St. Edmund's Catholic Academy, Fleetwood (Lancashire LA area):

St. Wulstan's is a one-form entry primary school with a Nursery class. The school joined the Trust in September 2022 as a school which 'requires improvement' and has retained this grading in the June 2025 Ofsted inspection. The school is rated as 'Good' in its denominational inspection in 2025. The school is significantly above average for the proportion of pupils who are Pupil Premium and is above national average for pupils with EHCPs. One quarter of the pupils in the school have school support for SEND. Significant curriculum developments have been undertaken at the school and outcomes show that progress is being made across all subject areas. Outcomes show that pupils achieve below the national averages for EYFS, phonics and reading, writing and maths at KS2.

#### The Willows Catholic Primary School, Kirkham (Lancashire LA area):

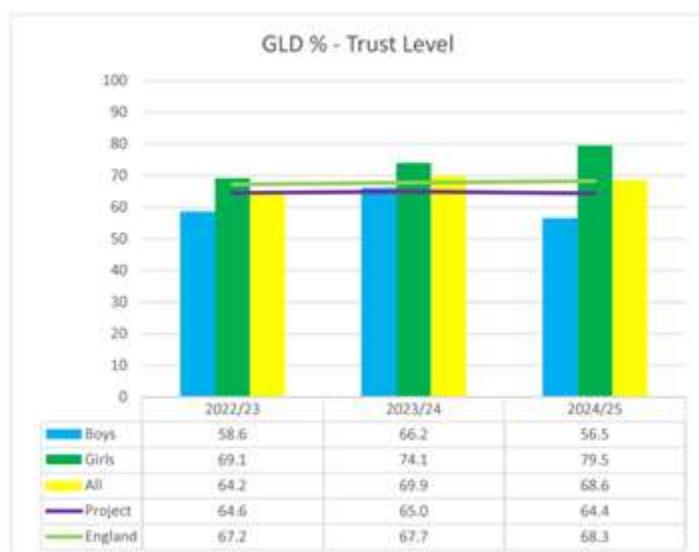

The Willows joined the Trust in November 2025 as an Outstanding school both in terms of Ofsted and Diocesan CSI gradings. The school is a very popular oversubscribed one-form entry primary school in the village of Kirkham in Lancashire for pupils aged 4-11 years old. The outcomes for children in the early years are strong and the proportion of children achieving GLD is well above the national average. In year 1, pupils achieve well in the phonics check and achieve above the national average. Outcomes at the end of KS2 are well above the national average in reading, writing and mathematics.

#### Attainment overall at Primary schools

In almost all areas in Early Years and Key Stage 1, BEBCMAT primary schools' outcomes are higher than national and local averages. The Trust shows a particular strength in Phonics in year 1, following significant support and challenge in this area for those schools in the Trust with lower outcomes. New schemes have been implemented in a number of schools. At KS2, outcomes are improving towards national averages, with many schools focusing on writing strategies and mathematics for the forthcoming academic year.

#### Going concern

After making appropriate enquiries, the Board of Directors has a reasonable expectation that the academy has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

## THE BLESSED EDWARD BAMBER CATHOLIC MULTI ACADEMY TRUST

### DIRECTORS' REPORT (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2025

---

#### **Financial review**

The Trust's total incoming resources during the year were £34,759,813. The majority of the Trust's income derives from central government funding via the Education and Skills Funding Agency, in the form of government grants. Total funding received for the Trust's educational operations in the period was £30,833,930 and further details are provided in note 4 to the financial statements.

Total outgoing resources for the year were £32,344,791. All of the Trust's expenditure related to the direct provision of educational operations. The excess of income over expenditure was £2,415,022.

At the period end the Trust's total reserves were in surplus by £4,773,224. This included the deficit on the Local Government Pension Scheme of £nil. Excluding this balance leaves positive funds of £4,773,224 including unrestricted funds of £928,000, restricted fixed assets of £3,247,120 and other restricted funds of £598,104.

At 31 August 2025 all assets shown in the financial statements were used exclusively for providing education and associated support services to students of the Trust.

At 31 August 2025, the academy trust had an unrecognised pension asset of £8,463,000 as calculated by the actuary in respect of the Local Government Pension Scheme, which many of the non-teaching staff belong to. The surplus has not been recognised as the academy trust does not have an unconditional right to receive this surplus in the future.

During the year ended 31 August 2025, the Trust inherited a pension asset on conversion of £1,291,000 in respect of the 5 converting schools during the year, which has not been recognised at 31 August 2025 on the basis that the academy trust cannot recover the surplus, either through a reduction in future contributions or through a refund to the academy trust. At 31 August 2025, the total value of the unrecognised pension asset as calculated by the actuary is £8,463,000.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding local government pension scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013. The Trust has entered into an agreement to continue to make contributions towards the deficit for its 3 original schools of £55,658 during the period to March 2026.

#### **Reserves policy**

Reserves are required to:

- Ensure sustainability of the school in the event of reductions in funding, reductions in pupil numbers or unexpected increases in expenditure.
- Fund capital projects and the replacement of equipment
- Enable the Trust to respond to opportunities and implement the longer term strategic plan.

The Directors have considered the level of GAG and Unrestricted reserves which they believe will provide sufficient working capital to cover delays between the spending and receipt of grants or unexpected or planned future revenue and capital costs. The Directors believe that under normal circumstances, the appropriate level of these combined reserves should be between 5% and 15% of the total amount of GAG income received in that academic year. At 31 August 2025 the Trust held GAG reserves of £562,151 and Unrestricted Reserves of £928,000. This combined total of £1,490,151 represents 6.8% of the GAG income received in the year.

## DIRECTORS' REPORT (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2025

---

At 31 August the Trust held the following reserves:

	2025	2024
Total reserves	4,773,224	4,025,202
Add back Pension reserve	-	-
Less reserves attributable to Fixed assets	<u>(3,247,120)</u>	<u>(2,398,997)</u>
Unrestricted and general restricted funds	1,526,104	1,626,205
Less restricted general funds	<u>(598,104)</u>	<u>(863,205)</u>
Free reserves	928,000	763,000

#### Investment policy

The Directors, having due regard to the Charity Commission guidance have approved an Investment Policy delegating the day-to-day management of investments to the Chief Finance Officer within the guidelines of the policy. The Trust does not currently hold any investments other than cash, which is held for its normal operations. The Board of Directors has adopted a low risk strategy to its cash holdings and will only invest in low risk deposit accounts. The aim of the policy is to ensure funds that the Trust does not immediately need to cover anticipated expenditure are invested in such a way as to maximise the Trust's investment return with acceptable risk.

#### Principal risks and uncertainties

The Directors have assessed the major risks to which the Trust is exposed and are satisfied that systems are in place to manage the identified risks effectively. A risk register is maintained in which identified risks are recorded which are reported to the Board at each of their meetings. A review of the Trust's risk management processes will be undertaken on an annual basis and key controls will be continually improved.

The Directors identified the key risks as standards and curriculum development at the academies, the long term impact of low school funding levels against a backdrop of increased costs in particular around energy and staffing costs and the numbers of pupils on roll at a number of the academies.

The internal financial systems are based on the Academy Trust Handbook and are documented in the Financial Regulations. The systems are based on a framework of segregation of duties and schemes of delegation which include authorisation and approval. Financial management information is provided to the Board of Directors on a termly basis and the Chair of Directors receives a monthly update.

The responsible officer role has been performed during the period by Shard Business Services and three reports have been presented to the Directors. No major issues have been identified. Recommendations for the improvements to systems and procedures have already been implemented or are in the process of being implemented.

#### **Financial and risk management objectives and policies**

##### **Fundraising**

Under the provisions of the Charities (Protection and Social Investment) Act 2016 this section must include information on fundraising practices.

The Trust undertakes a small amount of fundraising partly to fund projects within individual academies for example to provide resources for pupils or to raise funds to pass on to other charities. Parents are contacted by letter to raise awareness of the fundraising no more than once per year and by text message prior to any specific event, for example a non-uniform day to raise funds for local charities.

The Trust does not work with any commercial participators or professional fundraisers and has received no complaints about its fundraising. The Trust believes that the small amount of fundraising undertaken is not unreasonably intrusive or persistent and there is no undue pressure placed on parents to donate.

#### **Plans for future periods**

The next academic year will see a continuation of the work to improve standards and deliver an extensive challenging curriculum and best practice in teaching and learning. Across the Trust we will:

- Develop and implement a broad and ambitious curriculum from EYFS to post-16;
- Achieve excellence for pupils in all areas;
- Continue to improve the education of the whole child (John 10:10)
- Further develop and implement well-being strategies for pupils and staff across the Trust
- Further develop a trust-wide understanding of ethos for all stakeholders
- Develop the Trust in line with the Diocesan strategy.

The ambition of the Trust to grow aligns with the Diocesan plan of the Bishop of Lancaster. For the Blessed Edward Bamber CMAT (BEBCMAT), the proposed footprint covers 22 schools (17 schools currently in the Trust and 5 other schools across the Wyre and Fylde regions). These schools span two local authorities, Blackpool and Lancashire and will serve approximately 6,500 learners.

BEBCMAT is committed to grow in line with the Bishop's vision for academisation through growth that is sustainable and ensures that the whole organisation benefits as new schools join. In order to do this, a timeline has been established for growth whereby the appropriate infrastructure is in place ahead of the new schools becoming part of the Trust.

We are committed to a growth strategy that is driven by guiding principles:

- Sustained performance – for existing schools and strong schools coming in to the Trust
- Building capacity and expertise – to enable all schools to make rapid and sustainable progress through intelligently building school improvement and operational capacity
- Balance – maintaining balance between capacity-givers and those in need of support
- Growing excellent schools – using our capacity for further improvements to continue to drive standards, particularly for disadvantaged and vulnerable pupils
- Strength in numbers – achieving economies of scale through procurement and providing first-rate central office support
- Sound strategic oversight and governance – controlled growth in line with the Bishop's vision and approved by the RSC with strong governance oversight at all levels.

Wave 4 of Trust growth will take place in academic year 2025/26 and will see 1 school join the trust in March 2026 (St. John's Catholic Primary, Poulton). A further 2 schools will join the Trust in April 2026 (Our Lady star of the Sea Catholic Primary and St. Peter's Catholic Primary).

The final 2 schools will join the Trust towards the end of the conversion process likely to be in 2026/27.

#### **Auditor**

In so far as the Directors are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The auditor, MHA, is deemed to be reappointed under section 487(2) of the Companies Act 2006.

The Directors' report, incorporating a strategic report, was approved by order of the Board of Directors, as the company directors, on December 17, 2025 and signed on its behalf by:

## GOVERNANCE STATEMENT

### FOR THE YEAR ENDED 31 AUGUST 2025

---

#### Scope of responsibility

As Directors we acknowledge we have overall responsibility for ensuring that The Blessed Edward Bamber Catholic Multi Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Directors has delegated the day-to-day responsibility to the Chief Executive Officer, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Blessed Edward Bamber Catholic Multi Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Directors any material weaknesses or breakdowns in internal control.

#### Governance

The information on governance included here supplements that described in the Directors' Report and in the Statement of Directors' Responsibilities. During the year the 4 Board of Directors meetings were held face-to-face with option to join virtually available during the year. The board maintained effective oversight of funds through the Finance, Staffing and Premises Committee.

Attendance during the year at meetings of the Board of Directors was as follows:

Directors	Meetings attended	Out of possible
Mrs E Boniface	4	4
Mrs C Hardy	4	4
Mrs E M Kelly	4	4
Mr R Turpin	4	4
Mrs S Ridyard (Chair of Trustees)	3	4

Fr A Dawson (Resigned 31 August 2025)	4	4
Mrs M L Speakman	3	4
Mr C M Massey	2	4
Mrs S T Witton	3	4
Mr D E Brookes	4	4

#### Conflicts of interest

BEBCMAT manages conflicts of interest by maintaining an up-to-date and complete register of pecuniary interests for all directors and key personnel across the trust. These registers are both available to view on the BEBCMAT website. In the unlikely event that a pecuniary interest existed that could result in interest in a contract being awarded by the trust, a full competitive pricing process with a minimum of 3 quotes or full tender would be completed for purchases over £30k. Individuals with a pecuniary interest would be excluded from all meetings and negotiations around contracts that could be awarded in an area where a conflicting pecuniary interest exists.

## GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

### Governance reviews

The remit of the board is to determine the vision and values of the Trust; support leadership in determining and fulfilling the strategic direction of the Trust; hold leadership to account and ensure staff well-being; and oversee the financial performance of the Trust ensuring there are systems in place to manage risk and ensure money is well spent.

The Trust board currently has strategic oversight of quality and standards across the Trust schools. The board is satisfied with the quality of data it receives from the central leadership team and senior leadership team across the Trust.

During the Autumn Term meeting of the Full board, the board of Directors met to review its strategy direction and also that its governance arrangements were fit for purpose. The Board of Directors also conducted an annual skills audit of the Board. The Trust will conduct its next self-evaluation in Autumn 2025.

The Finance, Staffing and Premises Committee is a sub-committee of the main Board of Directors. Its purpose is to:

- Maintain oversight of major financial issues concerning the Trust and its Academies, the overall Trust budget and those of the individual Academies, the management of funds against the budget, the benchmarking of financial performance, expenditure levels, budget headings and the way funds are utilised (including value for money) and the way monies are secured;
- To monitor the production, timeliness and accuracy of key financial statements in response to both statutory and local requirements;
- To support (recommending and advising) the Trust Board in developing and then implementing a reserves policy and to consider the impact of strain in individual Academy budgets;
- To support (recommending and advising) the Trust Board in developing and then implementing the Financial Regulations Manual and associated procurement separate policy;
- To review tenders for major contracts as specified in the Financial Regulations Manual. To approve or reject tender proposals or, where required, make recommendations to the Trust Board;
- To recommend any changes in the Financial Policy, where significant, to the Trust Board. To review the operations of the Trust and the Academies in relation to the procedures shown in the Finance Policy;
- To monitor key financial and accounting systems and reviewing any audits of these or the general finances of the Trust and make recommendations to the Trust Board and/or the Local governing bodies as appropriate.

Attendance at meetings during the year was as follows:

## GOVERNANCE STATEMENT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

The audit and risk committee is a sub-committee of the main Board of Directors. Its purpose is to:

- Advise and report to the Directors in relation to any organisational risks which might impede the development and implementation of a long-term strategy for the success of the Trust;
- Support the Directors in the formulation of financial and risk management policies for the Trust and the Academies for achieving the aims and objectives set out in the Trust's Development Plan or long-term strategic vision;
- Advise the Directors on the adequacy and effectiveness of the Trust's systems of internal control and its arrangements for risk management, control and governance processes and securing economy, efficiency and effectiveness (value for money);
- Review any financial and risk report submitted by the Academies and advising the Directors on any issues arising from it as well as making recommendations for future reports to sustain the integrity of the financial and risk management systems;
- Advise the Directors on the appointment, reappointment, dismissal and remuneration of auditors (both external auditors and internal audit);
- Agree the work program of internal audit including the checking of financial controls, systems, transactions and risks;
- Consider the reports of the auditors and, when appropriate, advise the Directors and the Academies of material control issues and monitor the implementation of agreed audit recommendations;
- Advise on policies for the securing of the funds and assets of the Trust including by the prevention of loss through fraud and irregularity;
- Ensure that all allegations of fraud and irregularity are appropriately investigated and control weaknesses addressed, working with the Directors and the Headteachers of the Academies, as appropriate;
- Recommend the annual financial statements to the Directors for approval.

Attendance at meetings during the year was as follows:

### Review of value for money

As Accounting Officer the Chief Executive Officer has responsibility for ensuring that the trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Directors where value for money can be improved including the use of benchmarking data where available. The Accounting Officer for the Trust has delivered improved value for money during the year by:

- Undertaking a competitive tender procedure for a new 9 primary school catering contract including investment and rebranding of kitchen areas in the schools; and
- Supporting an investment policy review and update to use the Insignis platform which is expected to generate a significant increase in interest returns on cash balances for the Trust per annum.

### **The purpose of the system of internal control**

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can, therefore, only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in the Trust for the year ended 31 August 2025 and up to the date of approval of the annual report and financial statements.

### **Capacity to handle risk**

The Board of Directors has reviewed the key risks to which the trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Directors is of the view that there is a formal ongoing process for identifying, evaluating and managing the trust's significant risks that has been in place for the period 1 September 2024 to 31 August 2025 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Directors.

### **The risk and control framework**

The trust's system of internal control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Directors;
- regular reviews by the Finance, Staffing and Premises Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties;
- identification and management of risks.

The Board of Directors has considered the need for a specific internal audit function and has decided not to appoint its own internal auditor. The Directors have appointed Shard Business Services to carry out Internal Scrutiny reviews across the trust which also splits the internal and external audit functions in line with ethical requirements.

The reviewer's role includes giving advice on financial matters and performing a range of checks on the trust's financial systems and other areas identified within the trusts risk register. The checks carried out in the current period included:

- review of Business Continuity
- review of Financial controls, procedures, management and reporting
- review of Procurement

On a termly basis, Shard Business Services reports to the Board of Directors, through the Audit and Risk Committee on the operation of the systems of control and on the discharge of the Board of Directors' financial responsibilities.

## GOVERNANCE STATEMENT (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2025

---

The internal audit program occurred as planned throughout the year in accordance with the Internal Assurance Program of Works as agreed with the Audit and Risk Committee. The auditor issued individual assurance reports following the completion of each aspect of work. All recommendations have been resolved with the exception of the uniform approach to Business Continuity which is due to be rolled out Trust wide in the next reporting period. All reports were submitted to the Audit & Risk committee with the management response included.

#### Review of effectiveness

As Accounting Officer the Chief Executive Officer has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the reviewer;
- the work of the external auditor;
- the financial management and governance self-assessment process;
- the work of the executive managers within the trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the audit committee and a plan to ensure continuous improvement of the system is in place.

#### Conclusion

Based on the advice of the audit and risk committee and the accounting officer, the Board of Directors is of the opinion that the trust has an adequate and effective framework for governance, risk management and control.

### **STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE FOR THE YEAR ENDED 31 AUGUST 2025**

---

As accounting officer of The Blessed Edward Bamber Catholic Multi Academy Trust, I have considered my responsibility to notify the trust Board of Directors and the Department for Education (DFE) of material irregularity, impropriety and non-compliance with terms and conditions of all funding, including for estates safety and management, under the funding agreement in place between the trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academy Trust Handbook 2024, including responsibilities for estates safety and management.

I confirm that I and the trust's Board of Directors are able to identify any material irregular or improper use of funds by the trust, or material non-compliance with the terms and conditions of funding under the trust's funding agreement and the Academy Trust Handbook 2024.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Directors and DFE.

### STATEMENT OF DIRECTORS' RESPONSIBILITIES FOR THE YEAR ENDED 31 AUGUST 2025

---

The directors (who also act as trustees for The Blessed Edward Bamber Catholic Multi Academy Trust) are responsible for preparing the Directors' report and the financial statements in accordance with the Academies Accounts Direction 2024 to 2025 published by the Department for Education, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from DfE have been applied for the purposes intended.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE BLESSED EDWARD BAMBER CATHOLIC MULTI ACADEMY TRUST

#### FOR THE YEAR ENDED 31 AUGUST 2025

---

##### **Opinion**

We have audited the financial statements of The Blessed Edward Bamber Catholic Multi Academy Trust for the year ended 31 August 2025 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025 issued by the Department for Education.

In our opinion the financial statements:

- give a true and fair view of the state of the academy trust's affairs as at 31 August 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2019 and the Academies Accounts Direction 2024 to 2025 issued by the Department for Education.

##### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor responsibilities for the audit of the financial statements' section of our report. We are independent of the trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the trust's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

##### **Other information**

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

## INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE BLESSED EDWARD BAMBER CATHOLIC MULTI ACADEMY TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' report, which includes the directors' report and the strategic report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements;
- the strategic report and the directors' report included within the Directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the trust and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or the directors' report included within the Directors' report.

### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### Responsibilities of Directors

As explained more fully in the statement of Directors' responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the Directors are responsible for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the charitable company, or have no realistic alternative but to do so.

### Auditor responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud, is detailed below:

- Enquiries with management, including trustees, about any known or suspected instances of non-compliance with laws and regulations and fraud;
- Reviewing minutes of meetings of those charged with governance;
- Reviewing internal audit reports;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations;
- Reviewing the systems for recording revenue and to ensure income has been recognised in the correct period; and
- Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness.

### INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF THE BLESSED EDWARD BAMBER CATHOLIC MULTI ACADEMY TRUST (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

---

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

#### Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **INDEPENDENT REPORTING ACCOUNTANT'S REPORT ON REGULARITY TO THE BLESSED EDWARD BAMBER CATHOLIC MULTI ACADEMY TRUST AND THE SECRETARY OF STATE FOR EDUCATION FOR THE YEAR ENDED 31 AUGUST 2025**

---

In accordance with the terms of our engagement letter dated 8 April 2025 and further to the requirements of the Department for Education (DfE) as included in the extant Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts, we have carried out an engagement to obtain limited assurance about whether anything has come to our attention that would suggest, in all material respects, the expenditure disbursed and income received by The Blessed Edward Bamber Catholic Multi Academy Trust during the period 1 September 2024 to 31 August 2025 have not been applied to the purposes intended by Parliament and that the financial transactions do not conform to the authorities which govern them.

This report is made solely to The Blessed Edward Bamber Catholic Multi Academy Trust and the Secretary of State for Education in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to The Blessed Edward Bamber Catholic Multi Academy Trust and the Secretary of State for Education those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Blessed Edward Bamber Catholic Multi Academy Trust and the Secretary of State for Education, for our work, for this report, or for the conclusion we have formed.

#### **Respective responsibilities of the accounting officer of The Blessed Edward Bamber Catholic Multi Academy Trust and the reporting accountant**

The accounting officer is responsible, under the requirements of The Blessed Edward Bamber Catholic Multi Academy Trust's funding agreement with the Secretary of State for Education and the Academy Trust Handbook, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the extant Framework and Guide for External Auditors and Reporting Accountants of Academy Trusts. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2024 to 31 August 2025 have not been applied for the purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

#### **Approach**

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by the DfE, which requires a limited assurance engagement as set out in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the trust's income and expenditure.

The work undertaken to draw to our conclusion includes an evaluation of the control environment of the School together with enquiry, analytical review, substantive testing of transactions and consideration of governance issues.

#### **Conclusion**

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2024 to 31 August 2025 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2025

---

### 1 Accounting policies

The Blessed Edward Bamber Catholic Multi Academy Trust is a charitable company, incorporated in England and Wales. The address of its principal place of business is given on page 1 and the nature of its operations are set out in the Directors' report.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

#### 1.1 Basis of preparation

The financial statements of the trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2024 to 2025 issued by the Department for Education, the Charities Act 2011 and the Companies Act 2006.

#### 1.2 Going concern

The Directors assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The Directors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Conversion to an academy trust

The conversion from the state maintained schools to an academy trust involved the transfer of identifiable assets and liabilities and the operation of the schools for £nil consideration. The substance of the transfer is that of a gift and it has been accounted for on that basis as set out below.

The assets and liabilities transferred on conversion from Holy Family Catholic Primary School Warton, The Willows Catholic Primary School, St Joseph's Catholic Primary School, St Mary's Catholic Primary School Fleetwood and St Bernadette's Catholic Primary School to the academy trust have been valued at their fair value. The fair values have been derived based on that of equivalent items. The amounts have been recognised under the appropriate balance sheet categories, with a corresponding amount recognised in voluntary income in the statement of financial activities and analysed under unrestricted, restricted general and restricted fixed assets funds.

In addition, the academy trust inherited the fixtures and fittings and other tangible fixed assets in use by the five schools at the date of conversion. These assets had been held for a significant period of time and were fully depreciated. An estimate of the current fair value was not readily available and the cost of obtaining a valuation was considered to be disproportionate to the value of including such a valuation in the financial statements. No value has therefore been included in the financial statements for these assets.

#### 1.4 Income

All incoming resources are recognised when the trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

### 1 Accounting policies

(Continued)

#### Grants

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

#### Sponsorship income

Sponsorship income provided to the trust which amounts to a donation is recognised in the statement of financial activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

#### Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

#### Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the trust has provided the goods or services.

#### Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

The academy trust does not account for the value of donated facilities on the grounds that the market rent is not reasonably quantifiable and measurable.

#### Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the trust's accounting policies.

#### 1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

#### Expenditure on raising funds

This includes all expenditure incurred by the trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

#### Charitable activities

These are costs incurred on the trust's educational operations, including support costs and costs relating to the governance of the trust apportioned to charitable activities.

#### 1.6 Tangible fixed assets and depreciation

The academy trust company occupies the land and buildings which are owned by the Lancaster Roman Catholic Diocesan Trust. The trustees are the providers of the academies' land and buildings on the same basis as when the academies were maintained schools. The academy trust company occupies the land and buildings under a mere licence. This continuing permission of their trustees is pursuant to, and subject to, the trustees' charitable objects, and is part of the Catholic Church's contribution since 1847 to provide State funded education in partnership with the State. The licence delegates aspects of the management of the land and buildings to the academy trust company for the time being, but does not vest any rights over the land in the academy trust company. The trustees of the Lancaster Roman Catholic Diocesan Trust have given an undertaking to the Secretary of State that they will not give the academy trust company less than two years notice to terminate the occupation of the land or buildings. Having considered the factual matrix under which the academy trust company is occupying the land and buildings the directors have concluded that the value of the land and buildings occupied by the academy trust company will not be recognised on the balance sheet of the academy trust.

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

# THE BLESSED EDWARD BAMBER CATHOLIC MULTI ACADEMY TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2025

### 1 Accounting policies

(Continued)

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Leasehold land	Over the lease term of 125 years
Computer equipment	3 years
Fixtures, fittings & equipment	5 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

#### 1.7 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods of services it must provide.

#### 1.8 Leased assets

Rentals under operating leases are charged on a straight-line basis over the lease term.

#### 1.9 Financial instruments

The trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the trust and their measurement basis are as follows.

##### Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

##### Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

#### 1.10 Stock

Stock is valued at the lower of cost and net realisable value. Net realisable value is based on estimated selling price less further costs to completion and disposal. Provision is made for obsolete and slow moving stock.

#### 1.11 Taxation

The trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2025

#### 1 Accounting policies

(Continued)

##### 1.12 Pensions benefits

Retirement benefits to employees of the trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the trust.

The TPS is an unfunded scheme and contributions are calculated to spread the cost of pensions over employees' working lives with the trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary based on quadrennial valuations using a prospective unit credit method. The TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high-quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to net income or expenditure are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

##### 1.13 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the trust at the discretion of the Directors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education and Skills Funding Agency/Department for Education.

##### 1.14 Agency arrangements

The academy trust acts as an agent in distributing 16-19 bursary funds from the ESFA. Payments received from the ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the trust does not have control over the charitable allocation of the funds. The income received and bursaries paid during the year and any balances held are disclosed in note 27.

#### 2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

# THE BLESSED EDWARD BAMBER CATHOLIC MULTI ACADEMY TRUST

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

### FOR THE YEAR ENDED 31 AUGUST 2025

#### 2 Critical accounting estimates and areas of judgement

(Continued)

##### Critical accounting estimates and assumptions

The trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

##### Useful economic life of tangible fixed assets

The useful economic life of tangible fixed assets is judged at the point of purchase. As standard, a useful economic life of 3 years is applied to computer equipment and 5 years to fixtures, fittings and equipment.

##### Impairment of fixed assets

At each balance sheet date, management undertake an assessment of the carrying value of tangible fixed assets to determine whether there is any indication that the value has been impaired. Where necessary, an impairment is recorded as an impairment loss.

##### Impairment of debtors

At each balance sheet date, management undertake a review of outstanding debtor balances and consider whether there is any indication of impairment or any balances requiring provision. This calculation is based on the financial position of the debtors, the payment history and any ongoing discussions.

##### Valuation of the Local Government Pension Scheme defined benefit liability

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 20, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2022 has been used by the actuary in valuing the pensions liability at 31 August 2025. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

The judgments that have a significant effect on amounts recognised in the financial statements are those concerning the choice of depreciation policies and asset lives, and assessing whether any LGPS surplus should be recognised as a pension asset or whether the surplus should be restricted to some level or in total. FRS 102 section 28.22 states a plan surplus can be recognised only to the extent an entity is able to recover the surplus, either through reduced contributions in the future, or through refunds from the scheme. Further details in note 20

#### Critical areas of judgement

##### Classification of occupied land and buildings owned by the Diocese

The academy trust occupies the land and buildings which are owned by the Lancaster Roman Catholic Diocesan Trust. The trustees are the providers of the academies' land and buildings on the same basis as when the academies were maintained schools. The academy trust company occupies the land and buildings under a licence. The land and buildings are not included in the financial statements. Further information on the accounting treatment adopted can be found in the tangible fixed assets accounting policy.

##### Donated facilities

The market rent of the donated facilities is not reasonably quantifiable or measurable. As such, an estimate of the value of the donation (being the amount it would have to pay if renting the site on the open market) has not been recognised in the financial statements.

##### Classification of finance and operating leases

At the inception of each lease, management undertake an assessment of the terms of the lease including the payments to be made over the life of the lease, the fair value of the asset subject to the lease, the length of the lease and whether the terms of the lease transfer substantially all of the risks and rewards of ownership. Based on this assessment, management will determine whether the lease should be classified as a finance or operating lease.

### NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

#### FOR THE YEAR ENDED 31 AUGUST 2025

---

##### 18 Funds

(Continued)

Under the funding agreement with the Secretary of State, the trust was not subject to a limit on the amount of GAG that it could carry forward at 31 August 2025.

General Annual Grant must be used for the normal running expenses of the trust and any amounts carried forward at the end of a financial period must be used in accordance with the terms of the Funding Agreement.

Other DfE/ESFA grants comprise additional funding received for the furtherance of education, which must be used in accordance with the specific terms of each grant.

Other government grants include grants received in respect of the nurseries and Children's Centre.

Other restricted funds include contributions received for school trips and non public donations.

The pension reserve represents the value of the trust's share of the deficit in the Local Government Pension Scheme. During the year, the trust inherited a pension asset of £1,291,000 in respect of the newly converted schools, at 31 August 2025, the surplus has not been recognised by applying a restriction to the pension assets.

Restricted fixed asset funds include assets funded from capital grants and out of the GAG. Depreciation is to be charged against this fund each year.

### 20 Pension and similar obligations

The trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Lancashire County Pension Fund. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2020, and that of the LGPS related to the period ended 31 March 2022.

Contributions amounting to £510,202 were payable to the schemes at 31 August 2025 (2024: £383,921) and are included within creditors.

#### Teachers' Pension Scheme

##### Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for teachers in academy trusts. All teachers have the option to opt out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary. These contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

#### Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to ensure scheme costs are recognised and managed appropriately and the review specifies the level of future contributions.

Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2020. The valuation report was published by the Department for Education on 27 October 2023, with the SCAPE rate, set by HMT, applying a notional investment return based on 1.7% above the rate of CPI. The key elements of the valuation outcome are:

- Employer contribution rates set at 28.68% of pensionable pay (including a 0.08% administration levy). This is an increase of 5% in employer contributions and the cost control result is such that no change in member benefits is needed.
- Total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £262,000 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £222,200 million, giving a notional past service deficit of £39,800 million.

The result of this valuation will be implemented from 1 April 2024. The next valuation result is due to be implemented from 1 April 2027.

The employer's pension costs paid to the TPS in the period amounted to £3,200,875 (2024: £2,002,580).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The trust is unable to identify its share of the underlying assets and liabilities of the plan. Accordingly, the trust has taken advantage of the exemption in FRS 102 and has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

#### Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 15.7% to 19.3% for employers and 5.5% to 12.5% for employees.

As described in note 28 the LGPS obligation relates to the employees of the trust, being the employees transferred as part of the conversion from the maintained school and new employees who joined the scheme in the period. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the trust at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013 and on 21 July 2022, the Department for Education reaffirmed its commitment to the guarantee, with a parliamentary minute published on GOV.UK.

### Restriction of pension scheme assets

The net gain recognised on scheme assets has been restricted because the full pension surplus is not expected to be recovered through refunds or reduced contributions in the future.

The fair value of the pension plan assets at 31 August 2025 is £22,187k, which is £8,463k in excess of the present value of the defined benefit obligation at that date of £13,724k. This surplus of £8,463k is recognised in the financial statements only to the extent that the academy trust can recover that surplus, either through a reduction in future contributions or through a refund to the academy trust.

Following discussions with actuaries and consultations, the academy trust is not able to determine that future contributions will be reduced. It is not possible for the academy trust to receive a refund, as the conditions for this have not been met. Therefore an asset ceiling surplus of £8,463k is not recognised as an asset at 31 August 2025 as the academy trust is not able to determine that the academy trust will benefit from reduced future contributions or by a refund in the foreseeable future.

#### 25 Related party transactions

Owing to the nature of the trust's operations and the composition of the Board of Directors being drawn from local public and private sector organisations, transactions may take place with organisations in which the trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the trust's financial regulations and normal procurement procedures. The following related party transactions took place in the period of account:

During the period the trust received £864 of revenue income (2024: £4,224) from The Diocese of Lancaster Education Service. Revenue income of £nil was outstanding at 31 August 2025 (2024: £nil). During the period the trust received £nil (2024: £9,926) of capital income, in respect of DFC funding held on behalf of the newly converted academies, from The Diocese of Lancaster Education Service. No capital income was outstanding at either the current or previous year end.

The academy trust paid a contribution towards governance support to The Diocese of Lancaster Education Service amounting to £54,350 (2024: £38,640), along with training and conference fees amounting to £5,418 (2024: £5,315), building services expenses of £9,616 (2024: £22,055), CSI inspections of £4,700 (2024: £3,200) and academy conversion support fees of £22,189 (2024: £13,567).

The transactions are in accordance with the academy trust's financial regulations. In entering into the transactions the academy trust has complied with the requirements of the DfE's Academy Trust Handbook.

#### 26 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he or she ceases to be a member.

#### 27 Agency arrangements

The trust distributes 16-19 bursary funds to students as an agent for the DfE. In the accounting period ending 31 August 2025 the trust received £27,751 (2024: £29,510) and disbursed £19,991 (2024: £19,882) including administrative expenses from the fund. An amount of £46,031 (2024: £38,241) is included in other creditors relating to undistributed funds that are repayable to the DfE.

#### 28 Conversion to an academy

The schools stated below converted to academy trust status under the Academies Act 2010 and all the operations and assets and liabilities were transferred to The Blessed Edward Bamber Catholic Multi Academy Trust from their Local Authority for £nil consideration.

The transfer has been accounted for as a combination that is in substance a gift. The assets and liabilities transferred were valued at their fair values and recognised in the balance sheet under the appropriate headings with a corresponding net amount recognised as a net gain in the statement of financial activities as 'donations – transfer from local authority on conversion'.

The following table sets out the fair values of the identifiable assets and liabilities transferred and an analysis of their recognition in the statement of financial activities.
