A very warm welcome to

Blessed John Duckett Catholic Primary School

I am very proud to be the Headteacher of this welcoming and caring school, where everyone is encouraged to join us in 'moving forward together'. At Blessed John Duckett we have a wonderful school where "there is a close relationship between staff, pupils and families that gives the school a family feel". (Ofsted, 2021)

We are a small, friendly school which is part of the wider family of schools within the Bishop Hogarth Catholic Education Trust.

At Blessed John Duckett, we endeavour to establish a safe and secure environment in which children feel happy and are given opportunities to reach their full potential. We believe that children learn from good examples, and we always encourage co-operation and self-discipline. We encourage children to take responsibility for their own actions and to show a caring attitude towards others.

Our curriculum is designed to motivate all children and we provide a wide range of strategies to adapt our curriculum to meet the needs of all our learners.

We have the highest expectations of what our children can achieve. Our fantastic team strive to inspire, enthuse and motivate all children to develop a lifelong love of learning and we believe that every child has the capacity to succeed. We promote Gospel values and virtues within school; every person is valued, nurtured and respected as an individual.

All are welcome in our wonderful school. Please contact the school office so that we can arrange for you to come and look around.

Our curriculum

At Blessed John Duckett, our curriculum has been designed to meet the needs of our children, in our school, in our area. This encompasses a variety of exciting, first-hand experiences to enable children to acquire appropriate skills, knowledge and understanding preparing them for today's world. Through the provision of a stimulating environment, extensive school grounds and links within the community and beyond, our children will develop to their full potential.

At the heart of our curriculum, and all aspects of school life, we aim to ensure that our children feel loved as part of a school family and know that their talents are valued and celebrated. All aspects of our curriculum are accessible to all our children. We strive to meet the needs of those pupils with special educational needs, those with disabilities, those who are more able and those with special gifts and talents.

If you have any questions regarding the curriculum we teach, please contact the school directly.

Special educational needs and disabilities

As an inclusive school, all teachers are teachers of pupils with special educational needs & disabilities (SEND). We deliver a curriculum and create an environment that meets the needs of every pupil within our school. We ensure that every pupil with SEND makes the best progress possible. We foster and promote effective working partnerships with parents, carers, pupils, and outside agencies. We consider the ‘whole’ child and strive to ensure that all our SEND pupils are prepared for adulthood.
