

## Eco-schools Meeting

Tuesday 11<sup>th</sup> October

**Attendees:** Miss Waugh and the Eco schools team.

### **Minutes:**

- The Eco schools team has already achieved the bronze and silver award and this year we would like to achieve the Green Flag Award.
- As a team we would like to create an action plan.
- Some of the areas we want to develop further in school are: Litter pickers once a week, Classes completing gardening activities and developing whole class visits to the local allotment. Regular checks on classrooms once a term to see if teachers are following the Eco school rules such as recycling paper, turning the light off when leaving a room. Developing whole school theme weeks and the Eco schools team to lead an assembly.
- We would like to continue to work alongside other schools like Alkrington Primary School. We will be carrying out gardening activities and link meetings to develop our understanding of the Eco schools award.
