

We now hold two meetings a month! All parents and carers within the Rochdale Borough have the chance to come along and have a brew with us.

You can talk to like-minded parents and carers, we can help you access a variety of information useful in supporting yourself and your family, guest speakers come to talk with us about recent changes or to consult us on projects they are working on, staff from Rochdale Local Authority attend the evening sessions for you to come along and express your opinions to or to help in any way they can.

Come along, help us make a difference and make your voice heard!
