Rainbow Fish Newsletter
Autumn Term 1
2026/27

Welcome back! It was really nice to see all the children again at the start of the year. They all looked like they had grown and they have all settled in well. We have a great time in the Summer. Thank you to all parents/carers who came to the fun day we had on the field.

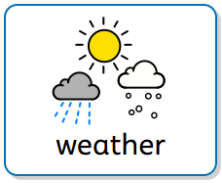

Topic- Colours and the Weather

This term we are going to be learning about different colours. In our topic lesson, we are going to learn, what happens when we mix colours and complete lots of science experiments relating to colour. We will talk about the weather each day and what we have to wear when we go outside.

Important Dates

Thursday 3rd September – School opens for Autumn 1
Friday 23rd October – School closes for half term
Monday 2nd November – Inset day
Tuesday 3rd November – School opens for Autumn 2
Thursday 5th November 2-3pm – Please join us for a Bonfire themed stay and play.

Dance

This term, Rainbow Fish will have a dance session each week. We know that the children love to move to music so we are really excited to have a specialist dance teacher come in to work with the children in small groups. Watch out for lots of videos and photos throughout the year.

Bonfire Stay and Play

Please join us on Thursday 5th November for a bonfire themed stay and play. We will create edible fireworks, try marshmallows and create firework pictures. You will also get a chance to join your child in an attention autism session.

This stay and play will take place 2-3pm.

Online Access

Please can you all check that you have access to tapestry and dojo for the new year. We regularly update with what we are doing in class. We try to share as many pictures as possible, but sometimes we are in the moment with your child that we don't get to take pictures as the moment is more important.

Please remember we will try and respond to your messages within 48 hours but you can also ask us on the door as well.

September

We would like to remind you of a few things your child will need again this September. Please can we ask that all clothing is labelled, even shoes where possible. Please can you make sure your child has the following items this September:

- Water bottle
- Wellies (that can be kept in school)
- 2 sets of spare clothes, including socks
- Crocs (if your child often takes their shoes off)
- All in one waterproof (especially if your child enjoys water play)

We will also be starting PE lessons this term so please send in a **PE kit** also.

Thank you for all your support and we are looking forward to another great term with your children.
Any questions please ask us.
